Bannerman an iconoclastic journalist for Scotland s Daily Standard whose irate editor wants him out of the way and Kale a professional assassin A classic early Peter May novel situated among the political intrigue of 1979 Expecting to find only a difficult dreary political investigation in Belgium Bannerman has barely settled in when tragedy strikes His host a fellow journalist along with a British Cabinet minister are discovered dead in the minister s elegant Brussels townhouse It appears that they have shot each other But the dead journalist s young autistic daughter Tania was hidden in a closet during the killings and when she draws a chilling picture of a third party a man with no face Bannerman suddenly finds himself a reluctant participant in a desperate murder investigation As the facts slowly begin to emerge under Bannerman s scrutiny he comes to suspect that the shootings may have a deep and foul link with the rotten politics that brought him to Brussels in the first place And as Kale threatens to strike again Bannerman begins to feel a change within himself His jaded professionalism is transforming into a growing concern for the lonely and frightened Tania and a strong attraction to a courageous woman named Sally drawing him out of himself and into the very heart of a profound cold blooded and infinitely dangerous conspiracy Peter May is a writer I d follow to the ends of the earth Marilyn Stasio New York Times The Bible in Crime

Fiction and Drama Caroline Blyth, Alison Jack, 2019-01-24 The Bible has always enjoyed notoriety within the genres of crime fiction and drama numerous authors have explicitly drawn on biblical traditions as thematic foci to explore social anxieties about violence religion and the search for justice and truth The Bible in Crime Fiction and Drama brings together a multi disciplinary scholarship from the fields of biblical interpretation literary criticism criminology and studies in film and television to discuss international texts and media spanning the beginning of the 20th century to the present day The volume concludes with an afterword by crime writer and academic Liam McIvanney These essays explore both explicit and implicit engagements between biblical texts and crime narratives analysing the multiple layers of meaning that such engagements can produce cross referencing Sherlock Holmes with the murder mystery in the Book of Tobit observing biblical violence through the eyes of Christian fundamentalists in Henning Mankell's Before the Frost catching the thread of homily in the serial murders of Se7en or analysing biblical sexual violence in light of television crime procedurals The contributors also raise intriguing questions about the significance of the Bible as a religious and cultural text its association with the culturally pervasive themes of violence morality and redemption and its relevance as a symbol of the often fraught location that religion occupies within contemporary secular culture

The Films of Joseph H. Lewis Gary D. Rhodes, 2012 Joseph H Lewis enjoyed a monumental career in many genres including film noir and B movies with the East Side Kids as well as an extensive and often overlooked TV career In The Films of Joseph H Lewis editor Gary D Rhodes PhD gathers notable scholars from around the globe to examine the full range of Lewis's career While some studies analyze Lewis's work in different areas others focus on particular films ranging from poverty row fare to westerns and television films Overall this collection offers fresh perspectives on Lewis as an auteur a director responsible for individually unique works as well as a sustained and coherent style Essays in part 1 investigate the texts and contexts that were important to Lewis's film and television career as contributors explore his innovative visual style and themes in both mediums Contributors to part 2 present an array of essays on specific films including Lewis's remarkable and prescient Invisible Ghost and other notable films My Name Is Julia Ross So Dark the Night and The Big Combo Part 3 presents an extended case study of Lewis's most famous and arguably most important work Gun Crazy Contributors take three distinct approaches to the film in the context of its genre as film noir and modernist and postmodernist film in its relationship to masculinity and masochism and in terms of ethos and ethics The Films of Joseph H Lewis offers a thorough assessment of Lewis's career and also provides insight into film and television making in the 1930s 40s and 50s Scholars of film and television studies and fans of Lewis's work will appreciate this comprehensive collection
