In 1920 the first year that women could campaign for office in Rhode Island she ran for the Democratic ticket for lieutenant governor earning 50,000 votes. The United States Army in China, 1900-1938 Alfred Emile Cornebise, 2015-07-13 A study of U.S. Chinese relations involving the U.S. Army this work focuses at the personnel level on the Army's service in China. While studies have been published of the U.S. Marines and U.S. Navy's involvement in China little attention has been given the Army's missions in this theater. Operations in China were a key part of the history and traditions of the 9th 14th 15th and 31st Regiments whose coats of arms still feature dragons as symbols of their service there. Many who served in the 15th in China went on to impressive careers as general officers prompting one soldier to ask what other infantry regiment of those days can boast of such an alumni list. Also covered is the 31st Regiment's involvement in Shanghai during the Second Sino Japanese War the prelude of the coming of World War II in Asia.
