The Loving Dominant:

The Loving Dominant John Warren, 2000 John Warren known as Mentor to the many who have read his books or hearkened to his sage advice at his workshops and gatherings brought his decades of BDSM experience to his classic manual *The Loving Dominant* Out of print for several years this classic is now available once again now in a revised and updated second edition in a quality trade binding From its advice on Stalking the Wild Submissive to its extensive Resource Guide *The Loving Dominant* offers perhaps the greatest breadth of subject of any basic BDSM guide available today including some basic toymaking patterns and an entire chapter on BDSM photography *Frisky Business* Clodagh Murphy, 2022-01-17 It started with a chance encounter at a Halloween party Nine months later the real fun began Last Halloween Romy had a one night stand with a stranger dressed as Darth Vader Now she has a baby named Luke But who is his father Because though she and her mystery man shared their most guilty secrets they didn't exchange names or numbers Romy is ready to give up on her search when old flame Kit comes back into her life keen to play happy families But Kit is hiding secrets of his own leading Romy to wonder could he be her dark knight Or is there another *Connecting and Reading* Berko, 1998

Becoming a Kink Aware Therapist Caroline Shahbaz, Peter Chirinos, 2016-10-04 As a result of recent media interest the practice of BDSM has become more mainstream yet remains marginalized Now more than ever greater numbers of heterosexual and LGBTQ couples are starting to explore some form of BDSM However profound misunderstandings continue leading to unintentional physical and psychological harm Drawing on current research and ethnographic narratives from the kink community this book seeks to provide psychotherapists with an introductory understanding of the culture and practice of BDSM and presents specific therapeutic concerns related to common misconceptions This book strives to de-pathologize BDSM practices while also providing concrete ways to distinguish abuse from consent harmful codependency and more Packed with practical suggestions and rich case studies this book belongs on the shelf of every therapist seeing BDSM and kink clients **Part-Time Perverts** Lauren Rosewarne, 2011-04-19 This book offers an erudite yet highly accessible exploration of the presence of sexual perversion in popular culture and its manifestation in everyday life An interdisciplinary exploration of sexual perversion in everyday life *Part Time Perverts* Sex Pop Culture and Kink Management starts from the premise that for better or worse everyone is exposed to a continual barrage of representations of sexual perversion both subliminal and overt Our involvement Dr Lauren Rosewarne contends is universal but our management strategies cover a spectrum of behavioral possibilities from total repression to total immersion It is those strategies that she examines here Drawing on her own experience as well as on pop culture and a multidisciplinary mix of theory Rosewarne shifts the discussion of perversion away from the traditional psychological and psychiatric focus and instead explores it through a feminist lens as a social issue that affects everyone Her book examines representations of perversion from suppression to dabbling to full body immersion and proposes a classification for perversion management and charts the diverse strategies

we use to manage and perhaps enjoy exposure Connecting Roy M. Berko, Lawrence B. Rosenfeld, Larry A. Samovar, 1997 Using a competency based approach this text provides a complete overview of the research and theories of interpersonal communication This integrated approach stresses the development of communication competencies including skills understanding of the theory and research that contextualize the skills and make them relevant to learning and the motivation to put the skills into practice The inclusion of intercultural and gender material throughout the text makes CONNECTING relevant to the students daily communication The Menagerie J.P. Caruso, 2025-05-13 Rowan Campbell loves his life finally He s happy He s happy but there s something missing Some itch under his skin he can t quite scratch through his work as a paramedic or hobbies or family gatherings or casual hookups alone Then one day he responds to a 9 1 1 call at an exclusive BDSM club the Menagerie and immediately splurges on a membership He isn t expecting much until he meets the notoriously hard to please club veteran Malcolm Savaryn Mal is a firecracker of a man Sharp and witty with a take no shit attitude he fascinates Rowan from the start Rowan has a big secret he s afraid to share and Mal has walls that seem impenetrable Both men have dark pasts and mental health struggles have marred them leaving them wary of relationships Their chemistry is immediate and unmatched though and they quickly enter into a steamy Dom sub relationship meeting weekly at the club It s just sex right But can they keep things strictly sexual or will one or both of them develop feelings along the way And if so will they find the courage to admit them and risk their hearts The Menagerie is a compelling exploration of BDSM trust and the slow evolution of friendship and love between two complex characters **Expanding the Science of Compassion** Myriam Mongrain, Dacher Keltner, James Kirby, 2021-11-01 **Open** Rachel Krantz, 2024-06-04 An award winning journalist chronicles her first open relationship with breathtaking honesty Los Angeles Times in this sexy messy necessary look at polyamory The Advocate FINALIST FOR THE LAMBDA LITERARY AWARD ONE OF THE BEST BOOKS OF THE YEAR PopSugar Them When Rachel Krantz met and fell for Adam he told her that he was looking for a committed partnership just one that did not include monogamy Intrigued and more than a little nervous Krantz decided to see whether their love could coexist with the freedom to date other people Could they strike an exquisite balance between intimacy and independence and find a way to feel passion for each other once the honeymoon phase ended Krantz documents her dive into polyamory from Brooklyn sex parties to swinging and beyond in her extraordinary debut memoir As she attempts to write a new plot for her love story with Adam she runs up against miscommunications gaslighting and ancient power dynamics and seeks solid ground in a relationship where the rules are ever shifting An award winning journalist she interviewed scientists psychologists and people living and loving outside the mainstream as she searched to understand what polyamory would do to her heart her mind and her life With an unflinching eye and page turning storytelling Open is groundbreaking in both its documentarian approach to polyamory and its explicit subject matter From debilitating anxiety spirals to heart opening connections with the men and women she dates Rachel puts her whole self on the line as she

attempts to redefine what a relationship is or could be *The Essential Handbook of Women's Sexuality* Donna Marie Castañeda, 2013-01-24 This cutting edge two volume set with contributions by distinguished and internationally recognized scholars provides a comprehensive picture of contemporary issues in the field of women's sexuality emphasizing women's diversity and international perspectives The multifaceted field of women's sexuality has expanded as a field of inquiry over the last 25 years to encompass a wide range of new perspectives theories topics findings and controversies The chapters in this work review and question the utility of standard sexuality frameworks addressing purely biological models heteronormative definitions of sexuality and others and provide new insights and approaches to understanding women's sexuality The intersectional and contextual nature of women's sexuality and how it is inextricably connected to women's relational social economic and cultural contexts is highlighted The Essential Handbook of Women's Sexuality includes in depth coverage of a wide range of women's sexuality topics including sexual desire and satisfaction sexuality in relationships development across the lifespan sexuality concerns in diverse countries pornography lesbian bisexual and transgender women women from diverse backgrounds health and sexuality reconceptualizations of women's sexual problems trauma rape and intimate partner violence and mental health and therapy These volumes can serve as a resource for students researchers and anyone seeking a greater understanding of women's sexuality **Painful pleasures** Christopher Vaccaro, 2022-07-12 This timely volume ventures into the subject of sadomasochism in varied aspects of medieval life Saint's Lives and mystical treatises provide evidence of failed sadism and empowering masochism Literary culture in the form of epics and courtly tales preserve stories of eroticised power These exciting chapters join together to form a picture of medieval culture that is kinky in its practice and deeply psychological at its core *The World of Chaucer* Derek Brewer, 2000 First published in 1978

The Phantom God John C. Wathey, 2022-10-15 Does neuroscience have anything to say about religious belief or the existence of God Some have tried to answer this question but in doing so most have strayed from the scientific method In *The Phantom God* computational biologist and neuroscientist John C Wathey Ph D tackles this problem head on exploring religious feelings not as the direct perception by the brain of some supernatural realm nor as the pathological misfiring of neurons but as a natural consequence of how our brains are wired Unlike other neurobiological studies of religion and spirituality *The Phantom God* treats mysticism not as something uniquely human and possibly supernatural in origin but as a completely natural phenomenon that has behavioral and evolutionary roots that can be traced far back into our vertebrate ancestry Grounded in evolutionary and behavioral biology this highly original and compelling book takes the reader on a journey through the neural circuitry of crying innate knowledge reinforcement learning emotional bonding embodiment interpersonal perception and the ineffable feeling of certainty that characterizes faith Wathey argues that the feeling of God's presence is spawned by innate neural circuitry similar to the mechanism that compels an infant to cry out for its mother In an adult this circuitry can be activated under conditions that mimic the extreme desperation and helplessness of infancy

generating the compelling illusion of the presence of a loving powerful and all knowing savior When seen from this perspective the illusion also appears remarkably like one that has long been familiar to neurologists the phantom limb of the amputee spawned by the expectation of the patient s brain that the missing limb should still be there Including a primer on the basic concepts and terminology of neuroscience The Phantom God details the neural mechanisms behind the illusions and emotions of spiritual experience *Communicating with Competency* Lawrence B. Rosenfeld,Roy M. Berko,1990

Sexuality and the Stories of Indigenous People Jessica Hutchings,Clive Aspin,2007 First person accounts of Takat pui men and women which include poetry prose and deeply personal narratives **Women and Religious Writing in Early Modern England** Erica Longfellow,2004-09-23 This study challenges critical assumptions about the role of religion in shaping women s experiences of authorship Feminist critics have frequently been uncomfortable with the fact that conservative religious beliefs created opportunities for women to write with independent agency The seventeenth century Protestant women discussed in this book range across the religio political and social spectrums and yet all display an affinity with modern feminist theologians Rather than being victims of a patriarchal gender ideology Lady Anne Southwell Anna Trapnel and Lucy Hutchinson among others were both active negotiators of gender and active participants in wider theological debates By placing women s religious writing in a broad theological and socio political context Erica Longfellow challenges traditional critical assumptions about the role of gender in shaping religion and politics and the role of women in defining gender and thus influencing religion and politics **Beat Depression Fast** Alexandra Massey,2013-12-31 In her latest book depression counselor Alexandra Massey distils years of hard won strategies for treating depression She provides an easy to follow ten step program that will help you beat it quickly and without pharmaceuticals Massey who has suffered from depression most of her life refused to take prescription drugs when her symptoms became debilitating I was very clear about the root cause of the depression she says It was very very low self esteem The overriding symptom was deep hopelessness and I had a sense that connecting with others who knew how I felt was what I needed not drugs According to Massey the first step toward recovery from depression is acceptance Depression is like wet sand The more you push the harder it gets By accepting depression you will find a sense of relief The second step is trust When we are dealing with the despair and hopelessness of depression it s almost impossible to believe that everything is going to turn out OK she writes Massey attributes her own recovery in part to her years long participation in 12 step programs From the recovery movement she learned the power of letting a greater power into your life Says Massey For me real change didn t happen until I acknowledged that I couldn t beat depression on my own and that I needed to rely on something bigger and wiser than myself These are the foundations stones The remaining steps will lead you on a journey to a new depression free life By following the steps you will find greater peace of mind more resilience and inevitably the reemergence of your dreams

Journal of a Loving Dominant Jesse Coulter,2015-06-06 A TRUE STORY of being set FREE Jesse Coulter has a secret even

he doesn't know He's a Dominant But he's not into punishment or S M He's a Loving Dominant He's a spiritual loving single father with a sex life that his family would find appalling Jesse's true story is about passion love spirit dominance submission and self discovery A chance encounter leads him to meet submissive Carrie who is yearning for release and he pushes beyond boundaries he never thought possible She surrenders to him in every way helping him to discover his dominant side becoming his submissive submitting to his every desire But as Jesse pushes her to explore further and falls in love in the process trust and spirit matters test their relationship to the breaking point **Lucy & Mickey** Red Jordan Arobateau, 1995

Early Modern Women's Manuscript Writing Jonathan Gibson, 2017-03-02 Because print publishing was often neither possible nor desirable for women in the early modern period in order to understand the range of writing by women and indeed women's literary history itself it is important that scholars consider women's writing in manuscript Since the body of critical studies on women's writing for the most part prioritizes print over manuscript this essay collection provides an essential corrective The essays in this volume discuss many of the ways in which women participated in early modern manuscript culture The manuscripts studied by the contributors originated in a wide range of different milieux including the royal Court the universities gentry and aristocratic households in England and Ireland and French convents Their contents are similarly varied original and transcribed secular and devotional verse religious meditations letters moral precepts in French and English and recipes are among the genres represented Emphasizing the manuscripts social political and religious contexts the contributors challenge commonly held notions about women's writing in English in the early modern period and bring to light many women whose work has not been considered before
