**The Machiavellian's Guide to Womanizing** Nick Casanova,1991-04-01     The Prince Niccolò Machiavelli,2008-04-17  
Based upon Machiavelli's first hand experience as an emissary of the Florentine Republic to the courts of Europe The Prince analyses the usually violent means by which men seize retain and lose political power This fluent new translation is accompanied by comprehensive notes and an introduction that dispels some of the myths associated with Machiavelli and considers the true purpose of The Prince     *Political Philosophy* Steven B. Smith,2012-10-30 DIV Who ought to govern Why should I obey the law How should conflict be controlled What is the proper education for a citizen and a statesman These questions probe some of the deepest and most enduring problems that every society confronts regardless of time and place Today we ask the same crucial questions about law authority justice and freedom that Plato Aristotle Machiavelli Hobbes Locke Rousseau and Tocqueville faced in previous centuries In this lively and enlightening book Professor Steven B Smith introduces the wide terrain of political philosophy through the classic texts of the discipline Works by the greatest thinkers illuminate the permanent problems of political life Smith shows and while we may not accept all their conclusions it would be a mistake to overlook the relevance of their insights div     **Machiavelli on Liberty & Conflict** David Johnston,Nadia Urbinati,Camila Vergara,2017-03-15 More than five hundred years after Machiavelli wrote The Prince his landmark treatise on the pragmatic application of power remains a pivot point for debates on political thought While scholars continue to investigate interpretations of The Prince in different contexts throughout history from the Renaissance to the Risorgimento and Italian unification other fruitful lines of research explore how Machiavelli's ideas about power and leadership can further our understanding of contemporary political circumstances With Machiavelli on Liberty and Conflict David Johnston Nadia Urbinati and Camila Vergara have brought together the most recent research on The Prince with contributions from many of the leading scholars of Machiavelli including Quentin Skinner Harvey Mansfield Erica Benner John McCormick and Giovanni Giorgini Organized into four sections the book focuses first on Machiavelli's place in the history of political thought Is he the last of the ancients or the creator of a new distinctly modern conception of politics And what might the answer to this question reveal about the impact of these disparate traditions on the founding of modern political philosophy The second section contrasts current understandings of Machiavelli's view of virtues in The Prince The relationship between political leaders popular power and liberty is another perennial problem in studies of Machiavelli and the third section develops several claims about that relationship Finally the fourth section explores the legacy of Machiavelli within the republican tradition of political thought and his relevance to enduring political issues     The Machiavellian's Guide to Womanising Nick Casanova,1996-09-12     **Machiavelliana** Michael Jackson,Damian Grace,2018-06-05 In Machiavelliana Michael Jackson and Damian Grace offer a comprehensive study of the uses and abuses of Niccol Machiavelli's name in society generally and in academic fields distant from his intellectual origins It assesses the appropriation of Machiavelli in didactic works in

management social psychology and primatology scholarly texts in leaderships studies as well as novels plays commercial enterprises television dramas operas rap music Mach IV scales children s books and more The book audits surveys examines and evaluates this Machiavelliana against wider claims about Machiavelli It explains the origins of Machiavelli s reputation and the spread of his fame as the foundation for the many uses and misuses of his name They conclude by redressing the most persistent distortions of Machiavelli

**The MacHiavellian's Guide to Flirting** Nick Casanova,2008-11 The key to being successful at love is to be playful playfully suggestive playfully romantic and playfully bantering Flirting is how you send the message that you re interested without saying so directly If you do it well you can keep your prospect amused giddy titillated flattered and insulted all at the same time Flirting is also how you establish that you have a sense of humor that you re smart and that you re sane And it s how you tell whether your prospect has those same qualities If both of you are in the right mood these routines can be great fun The book is divided into two sections one for women and the other for men Since it is usually the man who does the chasing and the woman who does the choosing these different roles lend themselves to different styles of flirting Despite gender differences however most but not all of the chapters can be adapted for use by the opposite sex
