

"Kitman is applying today's standards to history, and the result is by turns witty, funny, and hysterically silly."

—CHRISTOPHER LEHMANN-HAUPT,
THE NEW YORK TIMES

*The
Making of the
President 1789*

The Unauthorized Campaign

Biography of George Washington

Marvin Kitman

Foreword by John Chase

The Making Of The Prefident The Unauthorized Caign Biography

John J. Duffy,H. Nicholas Muller, III

The Making Of The Prefident The Unauthorized Caigh Biography:

The Making of the President, 1789 Marvin Kitman, 1991 The American Presidents, Washington to Tyler Robert A. Nowlan, 2014-01-10 As of 2012 only 43 men have held the office of the President of the United States Some have been sanctified and some reviled This historical work addresses the careers of the first ten presidents men who made vital contributions not only to the office of the presidency but to the course of the fledgling nation From Washington through Tyler every term is recounted in detail and each presidential profile provides as many as a hundred quotations with full source notes by the president his friends family historians and others Each profile ends with an extensive bibliography of books about the president his principles and policies and also provides suggestion for further reading Rigorously nonpartisan in approach this detail rich text describes the early years of what may well be one of the most demanding jobs in the world

Inventing Ethan Allen John J. Duffy, H. Nicholas Muller, III, 2014-06-03 Since 1969 Ethan Allen has been the subject of three biographical studies all of which indulge in sustaining and revitalizing the image of Allen as a physically imposing Vermont yeoman a defender of the rights of Americans an eloquent military hero and a master of many guises from rough frontiersman to gentleman philosopher Seeking the authentic Ethan Allen the authors of this volume ask How did that Ethan Allen secure his place in popular culture As they observe this spectacular persona leaves little room for a more accurate assessment of Allen as a self interested land speculator rebellious mob leader inexperienced militia officer and truth challenged man who would steer Vermont into the British Empire Drawing extensively from the correspondence in Ethan Allen and his Kin and a wide range of historical political and cultural sources Duffy and Muller analyze the factors that led to Ethan Allen s two hundred year old status as the most famous figure in Vermont s past Placing facts against myths the authors reveal how Allen acquired and retained his iconic image how the much repeated legends composed after his death coincide with his life why recollections of him are synonymous with the story of Vermont and why some Vermonters still assign to Allen their own cherished and idealized values *Legal History of the Presidential Election Campaign Fund Act*, 1991

Biography Index Bea Joseph, 1990 A cumulative index to biographical material in books and magazines

Wisconsin Magazine of History Milo Milton Quaife, Joseph Schafer, Edward Porter Alexander, 1989 **Where Did the Party Go?** Jeff Taylor, 2006 Using a twelve point model of Jeffersonian thought Taylor appraises the competing views of two Midwestern liberals William Jennings Bryan and Hubert Humphrey on economic policy foreign relations and political reform to demonstrate how the Democratic party lost its place in Middle America Provided by publisher **The Making of the Prefident 1789** Marvin Kitman, 2007-12-01 A witty funny and hysterically silly political parody that dares to take on the Mount Vernon Machine The New York Times Lampooning the modern campaign insider books this book asks How is it possible that a man with no military experience becomes a general He loses more battles than he wins and becomes a war hero He has absolutely no political opinions in the most sophisticated intellectual period of our history He has no ambitions

and he wins Through careful research and with plenty of laughs as well as a foreword by John Cleese journalist Marvin Kitman exposes George Washington's weaknesses for social climbing and high stakes whist not to mention his relationships with the Founding Girlfriends Hilarious Will entertain and fascinate even those who think they hate history Houston Chronicle *America, History and Life*, 2007 Article abstracts and citations of reviews and dissertations covering the United States and Canada *History of Hancock County, Indiana* George J. Richman, 1916 **Legislative History of Federal Election Campaign Act Amendments of 1976** United States. Federal Election Commission, 1977 **Bibliographic Index**, 1991 The Kennedy Brothers Richard D. Mahoney, 2011-05-01 Eight years apart in age John F and Robert F Kennedy were wildly different in temperament and sensibility Jack was the leader charismatic ironic capable of extraordinary growth and reach yet also reckless Bobby was the fearless hardworking Boy Scout unafraid of dirty work and ruthless about protecting his brother and destroying their enemies Jack it was said was the first Irish Brahman Bobby the last Irish Puritan As Richard D Mahoney demonstrates with brilliant clarity in this impeccably documented magisterial book the Kennedys lived their days of power in dangerous trackless territory Mahoney gives us the Kennedy days and years as we have never before seen them Here are Jack and Bobby in all their hubris and humanity youthfulness and fatalism Here also is American history as it unfolds With a new foreword by David Talbot *The Kennedy Brothers* is a masterful account of two men whose legacy continues to hold the American imagination 101 Stumbles in the March of History Bill Fawcett, 2016-09-06 An all new compendium of 101 historic screw ups from the author of 100 Mistakes that Changed History DID I DO THAT When asked to name a successor Alexander the Great declared that his empire should go to the strongest but would rival factions have descended into war if he'd been a little more specific What if the Vienna Academy of Art took a chance on a hopeful young student named Adolf Hitler If Pope Clement VII granted King Henry VIII an annulment England would likely still be Catholic today and so would America Bill Fawcett author of 100 Mistakes That Changed History offers a compendium of 101 all new mammoth mistakes from the ill fated rule of Emperor Darius III to the equally ill fated search for WMDs in Iraq that will unfortunately never be forgotten by history *Commercial Providence* Patrick Mendis, 2012-07-10 What is behind the success of America Does America manifest its destiny by other means Author Patrick Mendis explores unseen forces that have guided America to global dominance He details how the creation of Madison's Universal Empire through Hamilton's Federalism realizes Jefferson's Empire of Liberty The author then unveils America's Masonic endgame of universal brotherhood E Pluribus Unum *American Bastille. A History of the Illegal Arrests and Imprisonment of American Citizens During the Late Civil War* John A. Marshall, 2025-08-10 Reprint of the original first published in 1876 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Political Satire, Postmodern Reality, and the Trump Presidency Mehnaaz Momen, 2018-12-11 This book attempts to grasp the recent paradigm shift in American

politics through the lens of satire It connects changes in the political and cultural landscape to corresponding shifts in the structure and organization of the media in order to shed light on the evolution of political satire on late night television Satire is situated in its historical background to comprehend its movement away from the fringes of discourse to the very center of politics and the media Beginning in the 1990s certain trends such as technological advances media consolidation and the globalization of communications reinforced each other paving the way for satire to claim a prized spot in the visual media a tendency that only gained strength after September 11 While the Bush presidency presented itself as an apposite target for satirists their stronghold on American television was made possible by a number of transitions in broader culture which are encapsulated in the shrinking space available for political engagement under neoliberalism This largely underestimated development can be understood through the framework of postmodernism which focuses on the relationship between language power and the presentation of reality These trends and transitions reached a climax in the 2016 election where President Trump was elected embodying what can only be considered a significant turning point in American politics The bigger narrative contains various subplots represented in the rise of the neoliberal economy the acceptance of postmodernism as the dominant cultural code and the role of the voyeur superseding that of the engaged citizen It is only through understanding each of these pieces and connecting them that we can comprehend the current political transformation The present moment may feel like a golden age of satire and it may well be but this book addresses the hardest questions about the realities behind such a claim what can we conclude about when and how satire is effective judging by the history of this genre in its various incarnations and how can the apolitical postmodern media landscape be reconciled with what the best of this genre has had to offer during times of political duress

Subject Guide to Books in Print, 2001 **The Walls of Jericho** Robert Mann, 1996 Hubert Humphrey the idealistic firebrand who electrified the 1948 Democratic convention and relentlessly championed civil rights for more than twenty years Lyndon Johnson the wily pragmatic Senate majority leader who resisted calls for civil rights but eventually as president became the driving force behind the monumental 1964 Civil Rights Act and 1965 Voting Rights Act And Richard Russell the passionate conservative senator from Georgia who vainly defended a dying segregationist way of life Their personal and political lives strangely and inextricably intertwined these three stood at the center of the storm during the legislative battles to establish American civil and voting rights Drawing on rich archival materials and on interviews with participants and witnesses Robert Mann has written an unforgettable account of the intrigue the compromises the friendships and the rivalries of these three powerful men and their complex relationships with other members of the Senate including Everett Dirksen Paul Douglas John F Kennedy Albert Gore Sr John Stennis and James O Eastland It is a classically American story about the perseverance eloquence duplicity and genius of different men in pursuit of different goals and the battered triumph of tolerance fairness and justice *Donald Trump Biography* Gilad James, PhD, Donald John Trump was born on June 14 1946 in Queens New

York City He became a businessman and television personality most famous for his role as the host of reality show The Apprentice Trump was raised in Queens by his father a wealthy real estate developer He attended the New York Military Academy before receiving a bachelor s degree in economics from the University of Pennsylvania Trump worked in his father s company before becoming the president of the company in 1974 Trump s flamboyant style and business acumen made him an icon in New York City He became a prominent figure in the city s social scene as well as its business world In the 1980s Trump expanded his real estate empire beyond New York City purchasing properties in Atlantic City and around the world Trump also expanded his brand licensing his name to a variety of products including vodka furniture and clothing In 2016 he launched a presidential campaign and defeated Hillary Clinton to become the 45th president of the United States During his four year tenure he made numerous decisions that were controversial and polarizing but often led to financial and economic gains for the country
