The Case for Falling in Love Mari Ruti, 2011-02-01 Praise for The Case for Falling in Love Why play hard to get when you can just get what you want Mari Ruti's lively research from Plato to Freud to Gossip Girl to her own bedroom finally puts an end to playing games and provides a resource for lovers and the love scorned alike A must read for anyone who has ever fallen in love wants to or wants to know what went wrong Arienne Cohen creator of TheSexDiariesProject.com At last a relationship advice book that will actually work If you're intelligent interested in love and like a book you can't put down this is it John Gray move over The brilliant Mari Ruti has arrived Juliet Schor professor of sociology Boston College and author of Born to Buy and Plenitude The New Economics of True Wealth Groundbreaking Ruti opens the eyes of her readers so that they can love better A must read Nancy Redd New York Times bestselling author of Body Drama Finally a book that takes love seriously Written with passion and verve I wish I had read this book years ago Sean Carroll author of From Eternity to Here The Quest for the Ultimate Theory of Time Are you tired of reading book after book and playing game after game trying to avoid heartbreak It seems impossible and maybe that's because you can't lock up your heart like that not if you want the real thing And maybe that's one of the best things about love We've been thinking about it all wrong Our culture's insistence that women need to learn how to catch and keep a man is actually doing much more harm than good The more we try to manipulate our relationships the less we are truly able to experience love's benefits and wonders Love is a slippery unruly thing and trying to control and manage it robs us of its delicious unpredictability Sure letting go of the reins a bit might mean a broken heart but heartbreak in fact offers a wealth of possibilities creativity wisdom and growth that we need in order to make the most of our lives Liberating for women who are frustrated by the idea that they just need to learn the right formula The Case for Falling in Love shows that there isn't a method to mastering the madness of love But that might be exactly what's so wonderful about it

Studying Men and Masculinities David Buchbinder, 2013 The late twentieth century anxiety about a crisis in masculinity still persists today particularly in English speaking cultures Studying Men and Masculinities offers an engaging and comprehensive overview of masculinity Drawing on a wide range of cultural practices and texts from different genres and media David Buchbinder examines the notion of patriarchy and the challenges to patriarchal power including queer theory The book considers whether crisis may in fact be built into the very structure of the masculine and examines emergent masculinities post 9 11 Theoretical positions within the field are clearly explained and applied to real life

case studies from literature film and television Interspersed in each chapter are a series of questions and tasks aimed at encouraging the reader to engage her himself in the study of masculinities in everyday life and popular culture This topical and thought provoking book will be an invaluable resource for students of masculinities studies sexuality studies cultural studies and gender theory **Real Love, Right Now** Kailen Rosenberg,2014-07-08 This is an encouraging inspiring book to help you get past the things holding you back from finding real authentic love The author starts with a physical mental and emotional self appraisal which asks you to examine the things you don t want to admit are holding you back and helps you discover what you need to work on to have the best shot at finding a soul mate and creating a fuller more rewarding love life She then lays out a fail proof step by step thirty day plan that will lead you to love when you have made yourself love ready She has an inspiring personal story she is living proof that love and faith can overcome any kind of challenge Her methods are proactive with unique exercises such as self appraisals and love shopping but they are rooted in a spiritual understanding of love which she sees as our highest calling This book will help you put bad dating habits aside so you can figure out what really matters and find the partner who is right for you Full of exercises and practical tips this is a guidebook for people who are serious about finding real love right now **Tribe of Hackers** Marcus J.
