Killer's Baby (A Bad Boy Mafia Romance) Riley Masters, 2017-05-19 I take lives for a living but now I've made one DAMON I'm a stone cold killer but she's melted my heart Mafia soldier Man whore Murderer I'm the exact opposite of what a girl like Beatrice Bentley deserves She's shy innocent and beautiful and I've never met a woman who can hold my attention like she does A guy like me can only bring trouble for her but the heat between us is undeniable and every time I see her I want to take her in my arms and show her what she's been missing all these years in her sheltered life as the child of a politician Her father is running for President and the chances of him letting a hitman anywhere near his precious daughter during the campaign are less than zero I have a plan though a hitman always has a plan The only thing I didn't plan was getting her pregnant BEA I've finally tasted a real man and the rest of the world will never taste the same I've always been a good girl always stayed on the straight and narrow and always done as I was told It's hard not to when you're a Presidential candidate's daughter As long as I keep toeing the line and keeping up my law school grades my family will be happy and I'll avoid any trouble But then real trouble comes along and it has a name Damon Wilkerson His gorgeous eyes are filled with sin his lips tempt me like nothing else and his body makes me want to join him on the dark side but I didn't realize just how dark that side was I knew he was all wrong for me and I knew I should stay away but I didn't and now I'm in even more trouble I'm pregnant and I'm having a killer's baby *Killer's Baby* is a steamy standalone mafia romance No cheating and a guaranteed happy ending

The Dime Novel in Children's Literature Vicki Anderson, 2014-10-16 With their rakish characters sensationalist plots improbable adventures and objectionable language like swell and golly dime novels in their heyday were widely considered a threat to the morals of impressionable youth Roundly criticized by church leaders and educators of the time these short quick moving pocket sized publications were also inevitably wildly popular with readers of all ages This work looks at the evolution of the dime novel and at the authors publishers illustrators and subject matter of the genre Also discussed are related types of children's literature such as story papers chapbooks broadsides serial books pulp magazines comic books and today's paperback books The author shows how these works reveal much about early American life and thought and how they reflect cultural nationalism through their ideological teachings in personal morality and ethics humanitarian reform and political thought Overall this book is a thoughtful consideration of the dime novel's contribution to the genre of children's literature Eight appendices provide a wealth of information offering an annotated bibliography of dime novels and listing series books story paper periodicals characters authors and their pseudonyms and more A reference section index and illustrations are all included [Publishers' Circular and Booksellers' Record of British and Foreign Literature](#), 1894
