Falling in Love with the King of Beasts AimeeLynn, Elia is a poor university student until the night she s taken to the world of the Anima ruled by humans whose ancient hearts pulse with the blood of animals There she s forced into a battle to the death But when Elia survives and refuses to kill her final opponent the King must either kill Elia himself or take her as his mate Reth the brutal King of the Beasts with the blood of lions shocks everyone when he chooses the weak human Elia to become his Queen He promises her every comfort of his wealth and position but he is clear She will not warm his bed He chose her to defeat those that were trying to corner him into blending his Leonine line with the Wolves Elia needs the help of

the Anima to become stronger and rule them well But the vengeful Wolves see only a weak human that brought them shame As Elia and Reth grow closer the wolves are determined to destroy her Will Reth and Elia admit their feelings for each in time to fight for the Kingdom and their lives against the villainous wolf tribe Or will the wolves kill Elia and steal the throne Mature content no sexual violence He stalked towards her chin low so the shadow cast by his hard jaw cut across the thick fur collar of his vest His hair had fallen over his eyes in the scuffle so he peered at her through it like a lion in the grass With each step his graceful rolling gait reminded her of a predator stalking its prey Despite the forest floor littered in twigs and leaves he didn't make a sound Wh who are you Elia stammered backing away her hands up He met her step for step until she came up hard against the tree behind her and didn't stop until he loomed over her so broad his shoulders and chest made a wall in front of her She could feel the heat rising off his skin in the cool night air I am the Leonine King His voice was a dark husky gravel Behind him a chorus of wheezes howls and chirps of agreement rose from the people watching And you are Elia she breathed Elia he growled leaning in closer bringing with him the scent of pine and rain and the musk of something distinctly male I am Reth He said the name with a strange guttural roll in his throat I am King of Beasts I am Clan Leader and I am Alpha of WildWood Several snarls rose from the crowds behind him then but he ignored them Elia swallowed as he leaned in until the scruff on his jaw rasped her cheek I am the King he said And you will be my mate The forest behind him erupted Cover Art used by permission Illustrated by Aenaluck see more gorgeous art and support them on [www.patreon.com aenaluck](http://www.patreon.com/aenaluck)

into your romantic future Words of Love Volume One HB J. Wayne McKamie,2015-10-24 This is the first of multiple volumes we plan to publish if the Lord is willing As I began listening to the sermons and reading the transcripts for this volume I began to realize the practicality and the focus of Wayne as he challenges his hearers to think and to consider their actions along life's pathway Wayne has a way of always challenging his audience I believe all who will read the sermons in this book will find many nuggets of spiritual nourishment and find themselves facing serious spiritual questions in living for Jesus Christ The messages are truly inspiring **The Judgement of the King of Bohemia** Guillaume de Mauchaut,2019-06-03 Published in 1984 This book is a translated medieval text of Poems concerning The Judgement of the King of Bohemia **Beautiful Isle of the Sea** John Rogers Thomas,1893 The King of Alsander James Elroy Flecker,1915 The Courts of Love Jean Plaidy,2006-05-23 When I look back over my long and tempestuous life I can see that much of what happened to me my triumphs and most of my misfortunes was due to my passionate relationships with men I was a woman who considered herself their equal and in many ways their superior but it seemed that I depended on them while seeking to be the dominant partner an attitude which could hardly be expected to bring about a harmonious existence Eleanor of Aquitaine was revered for her superior intellect extraordinary courage and fierce loyalty She was equally famous for her turbulent relationships which included marriages to the kings of both France and England As a child Eleanor reveled in her beloved grandfather's Courts of Love where troubadours sang of romantic devotion and passion filled the air In 1137 at the age of fifteen Eleanor became Duchess of Aquitaine the richest province in Europe A union with Louis VII allowed her to ascend the French throne yet he was a tepid and possessive man and no match for a young woman raised in the Courts of Love When Eleanor met the magnetic Henry II the first Plantagenet King of England their stormy pairing set great change in motion and produced many sons and daughters two of whom would one day reign in their own right In this majestic and sweeping story set against a backdrop of medieval politics intrigue and strife Jean Plaidy weaves a tapestry of love passion betrayal and heartbreak and reveals the life of a most remarkable woman whose iron will and political savvy enabled her to hold her own against the most powerful men of her time **Beasts of Love** Jeanette M. A. Beer,2003-01-01 In *Le Bestiaire d'amour* and the *Response* a medieval chancellor's erotic bestiary to a woman is countered by the woman's passionate protest against the cleric's misogynistic presuppositions Beer presents a close linear reading of the two literary texts **A Visitation of Love Unto the King and Those Call'd Royallists** Edward Burrough,1660 **"Rubens, Vel?uez, and the King of Spain "** Larry Silver,2017-07-05 This study provides a new analysis of the pictorial ensemble of the Torre de la Parada the hunting lodge of King Philip IV of Spain Created in the late 1630s by a group of artists led by Peter Paul Rubens this cycle of mythological imagery and hunting scenes was completed by Diego Vel?uez Despite the lack of a written program surviving works provide eloquent testimony of several basic themes that embody Neostoic ideals of self restraint and prudent governance While Rubens set the moral tone through his serio comic Ovidian narratives Vel?uez added an

important grace note with his portraits of ancient philosophers and royals and fools of the court This study is the first to consider in depth their joint artistic contributions and shared ambition Through analysis of individual works the authors situate these pictorial inventions within broader intellectual currents in both Spanish Flanders and Spain especially in the advice literature and drama presented to the Spanish king Moreover they point to the lasting resonance of Torre de la Parada for Vel uez especially within his late masterworks Las Meninas and Las Hilanderas Ultimately this study illuminates the dialogical nature of this ensemble in which Rubens and Vel uez offer a set of complementary views on subjects ranging from the nature of classical gods to the role of art as a mirror of the prince *The Pilgrim Hymnal* ,1904 **Jewish Stories of**
