The Last Confession English Edition:

Following Christ and Confucius Christopher Payk, 2024-03-15 The first full length critical biography and theological analysis of Wang Mingdao the spiritual father of China's House Church Movement One of the most influential figures in Chinese Christianity church leader and evangelist Wang Mingdao rejected state control of religion in favor of the religious freedom of the unregistered House Churches a choice that made him a frequent target of government persecution In this thorough new biography scholar Christopher Payk traces Wang's life and Christian development through the sociopolitical tumult of twentieth century China Drawing on unpublished sermons journals and additional sources in English and Chinese Payk argues persuasively that Wang's theology while largely based on Christian scripture was shaped by Confucian tradition reason and personal experience *Following Christ and Confucius* brings new clarity to Wang's uncompromising faith and lasting impact *The Bibliographer's Manual of English Literature Containing an Account of Rare, Curious and Useful Books, Published in Or Relating to Great Britain and Ireland, from the Invention of Printing; ...* William Thomas Lowndes, 1834 *Catalogue of Autographs, Etc* Dobell, P. J. & A. E., booksellers, London, 1927 *Baptist Confessions of Faith* William Joseph McGlothlin, 1911 *Convicting the Mormons* Janiece Johnson, 2023-04-06 On September 11 1857 a small band of Mormons led by John D Lee massacred an emigrant train of men women and children heading west at Mountain Meadows Utah News of the Mountain Meadows Massacre as it became known sent shockwaves through the western frontier of the United States reaching the nation's capital and eventually crossing the Atlantic In the years prior to the massacre Americans dubbed the Church of Jesus Christ of Latter day Saints the Mormon problem as it garnered national attention for its unusual theocracy and practice of polygamy In the aftermath of the massacre many Americans viewed Mormonism as a real religious and physical threat to white civilization Putting the Mormon Church on trial for its crimes against American purity became more important than prosecuting those responsible for the slaughter Religious historian Janiece Johnson analyzes how sensational media attention used the story of the Mountain Meadows Massacre to enflame public sentiment and provoke legal action against Latter day Saints Ministers novelists entertainers cartoonists and federal officials followed suit spreading anti Mormon sentiment to collectively convict the Mormon religion itself This troubling episode in American religious history sheds important light on the role of media and popular culture in provoking religious intolerance that continues to resonate in the present *Athenæ Oxonienses. the impact of English Scottish and Welsh works on Polish literature This book argues that Jesuits played a key role in that process It provides an insightful account of how the transmission translation and recontextualization of key publications by British Protestants and Catholics served Calvinist and Jesuit agendas while occasionally bypassing barriers between confessionally defined textual communities and inspiring Polish Lithuanian political thought as well as literary tastes
