## **The Left Hand Of God:**

**The Left Hand of God** Hugh Holton, 1999-12-30 Join Chicago police Chief of Detectives Larry Cole and the beautiful investigative journalist Kate Ford as they uncover a plot to murder the sultry newscaster Orga Syriac The assassin a demented Catholic priest is intent on stopping Syriac from exposing a secret right wing organization [The Left Hand of God and Other Surprises](#) David W. F. Wong, 2008

**The Left Hand of God** Adolf Holl, 2012-05-16 Adolf Holl's divine biography examines the life of the Holy Spirit in the context of the history of Christianity Judaism and Islam Interweaving scholarship with religion myth and culture Holl expertly traces the influence of the Holy Spirit on men and women from all walks of life over the course of centuries The result is quite unlike anything written before The Holy Spirit inspired a few Galilean fishermen to find the courage to preach a new world religion The Jews recognized it as the breath of God Mohammed was inspired by it in the dictation of the Koran Yet this same spirit has moved individuals to rebel against convention authority and even sanity Through Holl's freewheeling yet always crystal clear discourse we see how the Holy Spirit informs an incredible array of beliefs including those underlying the rituals of Appalachian snake handlers and ideas the works of Freud and James Joyce are among the many discussed When the book was published in Germany Der Spiegel wrote Holl has presented a formidable history linking together the most distant things in a surprising way and leaving the whole as a paradox He leaves it to the reader to judge the encounter with the Holy Spirit as a manifestation of the divine in the human being or as a case for the psychiatrist Whatever the reader's conclusion may be The Left Hand of God is sure to be hailed as a major religious publishing event

**The Left Hand of God** Rob Alloway, 2008-12 By carefully placing the canonical books of Esther Nehemiah and Ezra within the larger Persian history Alloway creates a credible context in which these three truly uncommon tales may be appreciated in all their earthy authenticity

**The Left Hand of the Biblical Gods** Carlton Morris, 2024-09-30 The Left Hand of the Biblical God refers to the myths customs rituals ceremonies and sacrifices performed by religious organizations that are the shields that hide the true identity of both the benevolent Lord God and Jehovah the vindictive God of Abraham It is a saga of their genetic bloodlines that of the Lord God through Adam and that of Jehovah through his son Isaac It is a realistic look at the civilized society of man before the flood and a critical critique of the recorded death suffering trials and tribulations of the Jewish people after the flood The Left Hand of the Biblical God is a new and different perspective on the identity of the biblical gods and their relationship with man an analysis of the Christian Bible and the reality of organized religion It is a perspective that will never be heard preached from the pulpit or taught in Sunday school

[The Left Hand of God](#) Paul Hoffman, 2010-08-19 The Left Hand of God by Paul Hoffman is the gripping first instalment in a remarkable trilogy Listen The Sanctuary of the Redeemers on Shotover Scarp is named after a damned lie for there is no redemption that goes on there and less sanctuary The Sanctuary of the Redeemers is a vast and desolate place a place without joy or hope Most of its occupants were taken there as boys and for years have endured the

brutal regime of the Lord Redeemers whose cruelty and violence have one singular purpose to serve in the name of the One True Faith In one of the Sanctuary's vast and twisting maze of corridors stands a boy He is perhaps fourteen or fifteen years old he is not sure and neither is anyone else He has long forgotten his real name but now they call him Thomas Cale He is strange and secretive witty and charming violent and profoundly bloody minded He is so used to the cruelty that he seems immune but soon he will open the wrong door at the wrong time and witness an act so terrible that he will have to leave this place or die His only hope of survival is to escape across the arid Scablands to Memphis a city the opposite of the Sanctuary in every way breathtakingly beautiful infinitely Godless and deeply corrupt But the Redeemers want Cale back at any price not because of the secret he now knows but because of a much more terrifying secret he does not The Left Hand of God is a must read It is the first instalment in a gripping trilogy by Paul Hoffman Imagine if Phillip Pullman's His Dark Materials met Umberto Eco's Name of the Rose Fans of epic heroic fiction will love this series Praise for Paul Hoffman This book gripped me from the first chapter and then dropped me days later dazed and grinning to myself Conn Iggulden Tremendous momentum Daily Telegraph A cult classic Daily Express
