Pesticides Documentation Bulletin, 1966 **Nature Prose** Dominic Head, 2022-08-15 Nature Prose seeks to explain the popularity and appeal of contemporary writing about nature This book intervenes in key areas of contemporary debate about literature and the environment and explores the enduring appeal of writing about nature during an ecological crisis Using a range of international examples with a focus on late twentieth and early twenty first century writing from Britain and the US Dominic Head argues that nature writing contains formal effects which encapsulate our current ecological dilemma and offer a fresh resource for critical thinking The environmental crisis has injected a fresh urgency into nature writing along with a new piquancy for those readers seeking solace in the nonhuman or for those looking to change their habits in the face of ecological catastrophe However behind this apparently strong match between the aims of nature writers and the desires of their readers there is also a shared mood of radical uncertainty and insecurity The treatment and construction of nature in contemporary imaginative prose reveals some significant paradoxes beneath its dominant moods moods which are usually earnest sometimes celebratory sometimes prophetic or cautionary It is in these paradoxical moments that the contemporary ecological crisis is formally encoded in a progressive development of ecological consciousness from the late 1950s onwards Nature prose fiction and nonfiction is now contemporaneous with a defining time of crisis while also being formally fashioned by that context This is a mode of writing that emerges in a world in crisis but which is also in some ways in crisis itself With chapters on remoteness exclusivity abundance and rarity this book marks a turning point in how literary criticism engages with nature writing **Biennial Report** Kansas State Historical Society, 1913 **Purity** Jackson Pearce, 2012-04-24 A novel about love loss and sex but not necessarily in that order Before her mother died Shelby promised three things to listen to her father to love as much as possible and to live without restraint Those Promises become harder to keep when Shelby's father joins the planning committee for the Princess Ball an annual dance that ends with a ceremonial vow to live pure lives in other words no bad behavior no breaking the rules and definitely no sex Torn between Promises One and Three Shelby makes a decision to exploit a loophole and lose her virginity before taking the vow But somewhere between failed hookup attempts and helping her dad plan the ball Shelby starts to understand what her mother really meant what her father really needs and who really has the right to her purity **Refuge** Terry Tempest Williams, 1992-09-01 In the spring of 1983 Terry Tempest Williams learned that her mother was dying of cancer That same season The Great Salt Lake began to rise to record heights threatening the Bear River Migratory Bird Refuge and the herons owls and snowy egrets that Williams a poet and naturalist had come to gauge her life by One event was nature at its most random the other a by product of rogue technology Terry's mother and Terry herself had been exposed to the fallout of atomic bomb tests in the 1950s As it interweaves these narratives of dying and accommodation Refuge transforms tragedy into a document of renewal and spiritual grace resulting in a work that has become a classic [Find Your Awesome](#) Judy Clement Wall, 2017-04-04 In the spirit of the bestselling

books *The Back of a Napkin* and *Whatever You Are Be a Good One* comes this imaginative and highly illuminating guidebook to self love Have you ever noticed how many people put themselves last maybe even you We are so busy meeting our commitments and the needs of those who depend on us we forget to take care of ourselves At the end of the day we often feel frustrated unfulfilled and lost never realizing that the secret to our happiness our sense of self worth and empowerment is love When we love ourselves we thrive and that benefits not only us but everyone around us It s time to put that into practice to carve out a few minutes or hours each day to fully engage with yourself to reflect unwind and have fun with you Using a stimulating mix of coloring and other daily activities master writer artist and doodler Judy Clement Wall will help you accomplish just that So step up Take on this 30 day challenge You ll rediscover and fall in love with your playful imaginative adventurous thoughtful self And you ll shine so damn brightly that everyone else will too *Pete Dunne on Bird Watching* Pete Dunne, 2015-08-15 Birding is one of the most popular and fastest growing outdoor activities but it can seem intimidating for beginners who don t know where when or how to search for birds Fortunately Pete Dunne one of the most popular and respected writers in the field has written a guide that will help even the most casual observers identify the skills and tools they need to develop their interest in birding **The Backyard Bird Watcher** George Harrison, 1988-06-15 Provides advice and step by step instructions for converting a back yard into a bird sanctuary **Along Those Lines** Peter Cashwell, 2014-04-09 Intellectual reveling at its finest Booklist A delightful and curious book about borders boundaries fences and lines Slate A thoughtful and entertaining look at the demarcations in our lives Times Dispatch After years of crossing borders in search of new birds and new landscapes Peter Cashwell s exploration of lines between states between time zones and between species led him to consider the lines that divide genders seasons musical genres and just about every other aspect of human life His conclusion Most had something in common they were largely imaginary Nonetheless *Along Those Lines* a tour of the tangled world of delineation attempts to address how we distinguish right from wrong life from death Democrat from Republican and how the lines between came to be Part storyteller part educator and part wise guy Cashwell is unafraid to take readers off the beaten path into the desert vistas of the Four Corners the breeding ground of an endangered warbler or the innards of a grand piano Something amusing and or insightful awaits at every stop And he s not alone The tricks and treats of the human instinct for drawing lines are revealed in interviews with experts of all sorts Learn about the use of the panel border from a Hugo Award winning comics creator Trace the edge of extinction with the rediscoverer of the Ivory billed Woodpecker Get the truth about the strike zone from an umpire who holds a degree in physics You ll begin to see even the most familiar lines in a whole new way From music to politics to gender splits the things that divide us also tell us quite a bit about who we are and how we got there You couldn t ask for a better guide than Peter Cashwell whose eloquent musings on the lines we draw and sometimes erase is illuminating fascinating and impossible to put down Caroline Leavitt If as Paul Klee told his students at the Bauhaus a line is a dot that goes for a walk then *Along Those*

Lines is a beguiling and personal treasury of dots on hikes treks and walkabouts To accept this invitation to meander through the author's territory of boundaries borders definitions demarcations and delineations is to be rewarded with surprising answers to questions you didn't know you had until now about everything under the sun from strike zones musical genres and Gerrymandering to birding gender and how different religions define the lines between right and wrong Peter Cashwell's appreciation of the boundaries that create our world is a pure delight Katharine Weber As if by magic Cashwell gives us the power to see the invisible lines we live by and perhaps more importantly the permission to smudge erase dissolve or redraw the lines that don't serve us well Along Those Lines is an imaginative and well researched book full of Cashwell's trademark imagination and humor Even the most edgy rule bound readers will come away enlightened and liberated His footnotes alone could open Saturday Night Live Maria Mudd Ruth Peter Cashwell has written a brilliant mind bending saga of delineation as a supreme act of imagination as a noble and often comic attempt to confine the raggedy universe within a geometer's desperate dreams of precision Will Blythe [An Economist's Lessons on Happiness](#) Richard A. Easterlin, 2021-03-01 Once called the dismal science economics now offers prescriptions for improving people's happiness In this book Richard Easterlin the father of happiness economics draws on a half century of his own research and that conducted by fellow economists and psychologists to answer in plain language questions like Can happiness be measured Will more money make me happier What about finding a partner Getting married Having a baby More exercise Does religion help Who is happier women or men young or old rich or poor How does happiness change as we go through different stages of life Public policy is also in the mix Can the government increase people's happiness Should the government increase their happiness Which countries are the happiest and why Does a country need to be rich to be happy Does economic growth improve the human lot Some of the answers are surprising no more money won't do the trick neither will economic growth babies are a mixed blessing but they are all based on reason and well vetted evidence from the fields of economics and psychology In closing Easterlin traces the genesis of the ongoing Happiness Revolution and considers its implications for people's lives down the road *Man by the Oil* Julia Vellucci, 2021-09-15 Evan Foster wasn't always his name evil isn't him just a part of what his lost heartbroken betrayed and lonely soul turned to The past makes us who we are Why resort to cursing people who did him wrong if the man above sent him to do exactly the opposite What changed It takes the son of one of the women Evan cursed Zayn Parker to figure out just that with a journal Evan wrote regarding all four of his decades on this planet including the true purpose of the magic oil that began the invisibility curse Zayn wasn't randomly chosen to stand by the good that Evan was supposed to bring to the world Instead was given the purpose and powerful mind to take Evan's place on this earth in time for the fourth month of the fourth decade he has been here for due to his immortality Two separate yet binding stories show Evan and Zayn to be connected in more ways than just Zayn being the chosen one and his ex girlfriend Michelle being Evan's daughter Both stories involve love one can be tempted to give into but is it truly the kind of love that saves the world from its people tearing
