## **The Life Of The Blessed Emperor Constantine Illustrated:**

**Life of Constantine** Eusebius Pamphilius, 2020-11-05 The life of Constantine was written by Eusebius of Caesarea 260 339 AD in the 4th century in honour of Constantine the Great 272 337 AD However Eusebius died before he could finish the work Nevertheless the book is considered a valuable work both for providing a semi bibliographic account of Constantine from someone who knew him personally and for providing a rare window into the religious practices of the early Christian church The work also includes Eusebius own concerns about differences of opinion in church doctrine The work is considered a valuable primary source for understanding how Christianity first started to become the state religion under its perhaps most famous Roman emperor Constantine who later would be declared a saint by both the Catholic and Orthodox churches The source text for this book is Church history Life of Constantine the Great and Oration in Praise of Constantine New York Christian Literature Co Oxford Parker 1890 translated by Ernest Cushing Richardson 1860 1939 edited by Henry Wace 1836 1924 and Philip Schaff 1819 1893 This version of the work includes the original footnotes along with illustrations of Constantine on coins and in artwork An ecclesiastical history to the twentieth year of the reign of Constantine, tr. by C.F.
