Chandler's Honesty Part 5: The Light of Truth Chastity White Rose, Chastity thought she had it all figured out She knew she was on the perfect path of ethical veganism and celibacy She knew who she was and life seemed pretty good but Honesty the Unicorn had warned her once before that she would in the future be tested even beyond anything she had experienced She wondered what this test could possibly be and wondered if perhaps there was still some great fear or challenge coming that would break her soul She didn't know it at the time but it would be this very fear that was her greatest enemy She could be the strongest most honest and most excellent example of someone who followed the Golden Rule But life has a delicate balance and there is a dark side to everything and everyone even Chastity When this test Honesty mentioned happened would she have the strength to resist her greatest fears Or will it be her doom Honesty had warned Chastity of a coming test but that was not all Honesty had said It had also said that it would give her the strength of a unicorn with its Silver Horn of Truth Honesty had never failed Chastity in the past Honesty was not like humans and was not even all that much like horses as you might see in the human world called Earth Honesty was a creature born from a Vow of Truth that Chastity had made in her childhood Honesty was a unicorn of pure truth and goodness It therefore had no gender and none of the limitations that the humans who had failed Chastity in the past The dream world was immune from the limitations of time and space and so Honesty waited there and was always ready when Chastity needed to talk about something And as had happened before tragedy struck Chastity in ways that made her doubt who she was and what she was doing And at one of the lowest times she fell asleep after an exhausting day and spoke to Honesty about recent events
