

A watercolor illustration of a beach scene. In the foreground, a smiling, anthropomorphic rock with a face and eyes is partially buried in the sand. To the left of the rock is a small tuft of green grass. The background features a large, stylized blue wave with white foam, and a bright, glowing sun or moon in shades of orange and yellow on the right side. The sky is a mix of soft purple and blue washes.

The Little Clay Pot:

The Little Clay Pot Jan Renee, 2017-06-02 Once there was a little clay pot He thought he was just a little pot overlooked and insignificant When he tries to hide he learns that the Master Potter sees him knows him and created him with a purpose

The Little Clay Pot Cheryl Anne Kincaid, 2015-02-16 Deep beneath the grass snug in the earth's soft soil lay a little slab of clay content to spend its whole life hidden But the Potter has different plans Using a strong persistent touch the Potter's firm hands mold and stretch the frightened little piece of clay until it becomes a pot At first the clay is troubled but then it considers could the Potter be making me into something beautiful Something special Something treasured Submitting to the work of the Potter the pot reaches the marketplace only to discover it is not beautiful or special or treasured It's simply an ordinary pot Based on the parable in Jeremiah 18 the little clay pot learns that sometimes even ordinary pots can serve great purposes
