The Long War Long Earth:

The Long War Terry Pratchett, Stephen Baxter, 2013-06-18 The Long War by legendary author and Discworld creator Terry Pratchett and award winning science fiction novelist Stephen Baxter follows the adventures and travails of heroes Joshua Valiente and Lobsang in an exciting continuation of the extraordinary journey begun in the New York Times bestseller The Long Earth War has come to the Long Earth Humankind has spread across the new worlds opened up by stepping which Joshua and Lobsang explored a mere decade ago Now civilization flourishes and fleets of airships link the multiple Earths through exploration trade and culture Humankind is shaping the Long Earth but in turn the Long Earth is shaping humankind A new America that has christened itself Valhalla has emerged more than a million steps from the original Datum Earth And like the American revolutionaries of old the Valhallans resent being controlled from afar by the Datum government In the intervening years the song of the trolls graceful hive mind humanoids has suffused the Long Earth But in the face of humankind's inexorable advance they are beginning to fall silent and gradually disappear Joshua now married and a father is summoned by Lobsang It seems that he alone can confront the perfect storm of crises that threatens to plunge all of the Long Earth into war A war unlike any that has been waged before The full list of books in the Long Earth series include The Long Earth The Long War The Long Mars The Long Utopia The Long Cosmos

The Long War Terry Pratchett, Stephen Baxter, 2014-07-22 A generation after the events of The Long Earth mankind has spread across the new worlds opened up by Stepping Where Joshua and Lobsang once pioneered now fleets of airships link the stepwise Americas with trade and culture Mankind is shaping the Long Earth but in turn the Long Earth is shaping mankind A new America called Valhalla is emerging more than a million steps from Datum Earth with core American values restated in the plentiful environment of the Long Earth and Valhalla is growing restless under the control of the Datum government Meanwhile the Long Earth is suffused by the song of the trolls graceful hive mind humanoids But the trolls are beginning to react to humanity's thoughtless exploitation Joshua now a married man is summoned by Lobsang to deal with a gathering multiple crisis that threatens to plunge the Long Earth into a war unlike any mankind has waged before

The Long War Andrew J. Bacevich, 2009-06-22 Essays by a diverse and distinguished group of historians political scientists and sociologists examine the alarms emergencies controversies and confusions that have characterized America's Cold War the post Cold War interval of the 1990s and today's Global War on Terror The developments of this Long War have left their imprint on virtually every aspect of American life and by considering the period as a whole this volume is the first to take a truly comprehensive look at America's response to the national security crisis touched off by the events of World War II Contributors consider topics ranging from grand strategy and strategic bombing to ideology and economics and assess the changing American way of war as the twentieth century progressed They evaluate the evolution of the national security apparatus and the role of dissenters who viewed the activities of that apparatus with dismay and they take a fresh look at the Long War's civic implications and its

impact on civil military relations More than a military history The Long War examines the ideas policies and institutions that have taken shape since the United States claimed the role of global superpower In breaking down the old and artificial boundaries that have traditionally divided the postwar period into neat historical units this volume offers fresh perspectives on the current state of American national security

The Long War Judy Kutulas,1995 In the early 1930s the American Communist Party attracted support from a wide range of liberal and radical intellectuals partly in response to domestic politics and also in opposition to the growing power of fascism abroad The Long War a social history of these intellectuals and their political institutions tells the story of the rift that developed among the groups loosely organized under the umbrella of the Party representing communist supporters of the People s Front and those who would become anti Stalinists and the evolution of that rift into a generational divide that would culminate in the liberal anti communism of the post World War II era Judy Kutulas takes us into the debates and outright fights between and within the ranks of organizations such as the League of American Writers the John Reed Clubs the Committee for Cultural Freedom the American Civil Liberties Union and the National Committee for the Defense of Political Prisoners Showing how extremist views about the nature and value of communism triumphed over more moderate ones she traces the transfer of the left s leadership from one generation to the next She describes how supporters of the People s Front were discredited by the time of the Nazi Soviet Pact and how this opened the way for a new generation of leaders better known as the New York intellectuals In this shift Kutulas identifies the beginnings of the liberal anti communism that would follow World War II A book for students and scholars of the intersection of politics and culture The Long War offers a new informed perspective on the intellectual maneuvers of the American left of the 1930s and leads to a reinterpretation of the time and its complex legacy

begins to spread through the poorest districts shutting down the life giving implants that enable so many to survive the city begins to slide into the anarchy of violent class struggle Hiding amidst the chaos is Zala Ulora A gifted hacker and fugitive from justice she believes she might be able to earn her life back by tracing the virus to its source and destroying it before it destroys the city Or before the city destroys itself With its vivid characters bold ideas and explosive action *The Hive* is science fiction at its most exciting inventive and accessible **Terry Pratchett's Ethical Worlds** Kristin Noone, Emily Lavin Leveret, 2020-08-18 Terry Pratchett's writing celebrates the possibilities opened up by inventiveness and imagination It constructs an ethical stance that values informed and self aware choices knowledge of the world in which one makes those choices the importance of play and humor in crafting a compassionate worldview and acts of continuous self examination and creation This collection of essays uses inventiveness and creation as a thematic core to combine normally disparate themes such as science fiction studies the effect of collaborative writing and shared authorship steampunk aesthetics productive modes of ownership intertextuality neomedievalism and colonialism adaptations into other media linguistics and rhetorics and coming of age as an act of free will Red Dynamite Carl R. Weinberg, 2021-10-15 In *Red Dynamite* Carl R Weinberg argues that creationism's tenacious hold on American public life depended on culture war politics inextricably embedded in religion Many Christian conservatives were convinced that evolutionary thought promoted immoral and even bestial social sexual and political behavior The fruits of subscribing to Darwinism were in their minds a dangerous rearrangement of God given standards and the unsettling of traditional hierarchies of power Despite claiming to focus exclusively on science and religion creationists were practicing politics Their anticommunist campaign often infused with conspiracy theory gained power from the fact that the Marxist founders the early Bolshevik leaders and their American allies were staunch evolutionists Using the Scopes Monkey Trial as a starting point *Red Dynamite* traces the politically explosive union of Darwinism and communism over the next century Across those years social evolution was the primary target of creationists and their ideas have consequences strategy instilled fear that shaped the contours of America's culture wars By taking the anticommunist arguments of creationists seriously Weinberg reveals a neglected dimension of antievolutionism and illuminates a source of the creationist movement's continuing strength Thanks to generous funding from Indiana University and its participation in TOME Toward an Open Monograph Ecosystem the ebook editions of this book are available as Open Access volumes from Cornell Open cornellpress.cornell.edu/cornell-open and other repositories **The Life of Don Quixote and Sancho According to Miguel de Cervantes Saavedra** Miguel de Unamuno, 1927 **Mother Earth**, 1914 The Theosophical Path Katherine Augusta Westcott Tingley, 1928 **The Earth and Its Inhabitants ...: Oceanica** Elisée Reclus, 1890 **The Long Cosmos** Terry Pratchett, Stephen Baxter, 2016-06-14 The thrilling conclusion to the internationally bestselling Long Earth series explores the greatest question of all What is the meaning of life 2070 71 Nearly six decades after Step Day a new society continues to evolve in the Long Earth Now a message has been received Join us The
