## **The Lord Durham Report:**

**Lord Durham's Report** Gerald M. Craig, Janet Ajzenstat, Guy Laforest, 2006-12-18 In his famous 1839 call to reform John George Lambton Earl of Durham recommended that Upper and Lower Canada be accorded responsible government by uniting the two provinces under a single legislative assembly a union which would also bring about the assimilation of the French Canadians The Report has been criticized ever since from British imperialists who found it dangerously liberal to French Canadians who despised Durham for his presumed racism This new edition of Gerald Craig's abridgement retains his 1963 introduction and adds essays that debate Durham's political assumptions and goals re-examine the philosophical and historical context in which the Report was created and review the Report's reception and influence Janet Ajzenstat reconsiders the report in the context of nineteenth century debates about the relation between culture and political institutions arguing that Durham should be seen as a progressive universalist opposed to the divisions of race and creed who wanted to give more freedom to French and English Canadians alike Guy Laforest re-examines the report in terms of British liberal imperialism and twentieth century English Canadian perspectives to argue that Durham was a one-sided sociologist and the first in long line who used liberalism for imperialist purposes

**Political Thought of Lord Durham** Janet Ajzenstat, 1988 Lord Durham's Report on the Affairs of British North America is usually discussed only in terms of its historical context the events that brought Durham to Canada and the consequences of the Report's reform proposals In a markedly different approach Janet Ajzenstat treats the Report as a text in modern political thought She develops Durham's underlying arguments and assumptions demonstrating the essentially liberal character of his recommendations and revealing a tough-minded argument about political freedom and the place of national minorities in a
