The Love And Compassion Of God:

The Love and Compassion of God Wendy Burnfield,2012-06-28 We often forget the kindness and compassion of God In our cultural traditions the focus is mainly on God s judgement and wrath The purpose of this journal is to reflect and document 30 years of faith in Jesus Christ why I came to conclude that His redemptive act will save everyone **The Love and Compassion of God** Wendy Burnfield,2012-12-27 We often forget the kindness and compassion of God In our cultural traditions the focus is mainly on God s judgement and wrath The purpose of this journal is to reflect and document 23 years of faith in Jesus Christ why I came to conclude that His redemptive act will save everyone **The Love of God** John C. Peckham,2015-07-28 Theology has constantly wrestled with the nature of God s love and what it means for how God relates to the world In this comprehensive canonical theology of divine love John C Peckham argues for an account that avoids the errors of both voluntarist and experientialist theologies and faithfully represents the full biblical witness **For the Love of God** Jerry M. Ireland,2017-03-23 Compassionate missions constitutes a growing focus among evangelical denominations and agencies Because of this there exists a growing need to be guided by sound principles and best practices This edited volume sets forth both the biblical foundations and preferred methods for churches wanting to engage in compassion as part of their missionary efforts The aim throughout is that compassionate missions would be guided by indigenous principles that help establish autonomous local churches capable of being salt and light in their communities The contributors to this volume have over 200 years of missions experience Through their first hand knowledge of the challenges and pitfalls faced by missionaries engaging in compassion these authors set forth foundational principles and practical guidelines related to some of the most pressing issues confronting missionaries today These include HIV AIDS UPGs human trafficking orphans and vulnerable children gender issues and many more Pastors missionaries missions boards and educators will find this a valuable resource as the church in the twenty first century continues to engage in the Great Commission **The Love of God** Christopher W. Morgan,2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God s love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God s love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series **Compassionate Love and Ebony Grace** Kortright Davis,2012-03-22 Why is the Golden Rule so central in almost every culture and religion What is it that drives human beings to do good to others Are altruism compassion and forgiveness natural forms of human behavior or do they have to be learned

and practiced in the neural context of our primal instincts for survival and self defense These are some of the questions that lie behind the study of Compassionate Love amongst people of color Davis explores the patterns and contours of other love which he defines as a selfless regard for the well being of others He also examines the basis for distinctive modes of compassionate behavior enriched by ebony grace a theological attribution for people of African descent This text focuses especially on the historical cultural and religious heritage that inspires and empowers such attitudes in spite of constant encounters with systemic negation social alienation and unrelenting racism How is it that Black families in the home school and church still support sustain and succeed in the practice of unyielding love in compassion That is the magic and mystery within contemporary Black cultural norms and moral values This text is a powerful attempt to contribute to the debate on Christian altruism
