The Man Within:

The Man Within Graham Greene, 2018-05-15 The strikingly original debut novel by the masterful British author is a perfect adventure of love and smuggling on the English coast The Nation Francis Andrews is a reluctant smuggler living in the shadow of his brutish father's legacy To exorcise the ghosts of the man he loathes Andrews betrays his colleagues to authorities and takes flight across the downs It's here that he stumbles upon the isolated cottage of a beguiling stranger named Elizabeth an empathetic young woman who is just as lonely every bit the outsider as he and reconciling a troubling past of her own Andrews a man on the run from those he exposed believes he's found refuge and salvation But when Elizabeth encourages him to return to the courts of Lewes and give evidence against his accomplices the treacherous and deadly repercussions may be beyond their control The ultimate strengths of Graham Greene's books is that he shows us the hazards of compassion a theme that would find its earliest expression in *The Man Within* his first published novel Pico Iyer

Evans, 2021-05-11 This collection of fourteen essays by American and English scholars many of them hitherto unpublished and all of them selected with a view to avoiding the duplication of essays already familiar and available offers new testimony of the range and accomplishments of Graham Greene's talent The essays vary from considerations of general topics to critical analyses of single novels from a discussion of Greene as a writer of Christian tragedy to a witty irreverent assessment of *The Power and the Glory* The authors here are chiefly concerned with the novels though frequent allusions reveal something of the nature and importance of the entertainments and the travel books A number of the essayists focus upon Greene's commitment to the Roman Catholic faith and the definition it has given to his work As a writer he is shown to be preoccupied with a dual vision of human frailty and of God's saving grace a vision found by some to assert sin to the point of virtual heresy though it never loses sight of that mercy which may catch up a soul between the stirrup and the ground As one essay points out traces of this vision are to be found in Greene's earlier works as well as in his entertainments Greene's own particular bent as a Catholic writer is brought out by a comparison with François Maruiau another essay is concerned with the tension that exists between the life of art and the life of sanctity Round out this presentation of Greene's accomplishments are discussions of his work in the drama the short story and as a motion picture critic Finally this collection is notable for its inclusion of the most comprehensive bibliography of Greene's work and the criticism of them yet published Graham Greene emerges from this composite judgment as a writer of consummate artistry who sees behind the façade the emptiness of a secular world *Daughter of Dragons* Kathleen H. Nelson, 2017-12-01 Taziem is a magnificent dragon sexy powerful intelligent Like other dragons she hoards diamonds but

unlike other dragons she covets knowledge as well So when the local villagers offer her one of their younglings as a sacrifice she decides to take it home with her and study it so she might learn all there is to know about humans If the youngling satisfies her curiosity she ll set it free eventually If it disappoints she ll feed it to her soon to be born dragonets As it so happens the youngling is fearless clever and dragon smart She quickly exceeds Taziem s wildest expectations and winds up bonding with the newborns Lathwi The Soft One they call her and accept her as a tanglemate As they live and grow and play together Lathwi forgets that she was ever human After a time though Taqziem must banish Lathwi from her territory for her own safety Forced into the human world again Lathwi begins a journey of re discovery stumbling onto a plot to revive dragonkind s ancient nemesis She withstands sorcerous attacks and an onslaught of demons but without her mother s help she knows she cannot defeat the evil that threatens to consume the world The question is can she return to Taziem s mountain in time to prevent an apocalypse
