**The Manifesting Manual!** Jafree Ozwald, 2014-03-22 You are about to experience the most incredible life imaginable There are many techniques secrets and manifesting tools contained within this manual which over the next 90 days will awaken the most powerful forces in the Universe that are deep inside you An unlimited source of energy has been dormant up until now sleeping waiting for the right moment in time to rise up magnificently throughout your being and ignite miracles in your life Opening up this cosmic energy is not as difficult as you may think yet is a metaphysical exploration that is more satisfying loving and empowering than anything you could imagine

**Manifesting Manual** Jafree Ozwald, 2014-05-20 This Manifesting Manual provides the world s most effective techniques for learning the ancient secret science of manifesting There are 1500 year old secrets in here that are guaranteed to turn you into a Manifesting Master This book was designed to awaken your unlimited potentiality and initiate a dynamic healing in your life It contains a holistic approach which will help you experience inward fulfillment AND be outwardly successful at the same time Even if you have already read a zillion books about manifesting this information will dramatically transform your life when it is applied daily We guarantee that when you actually follow this program for 90 days you will experience a dramatic shift in your ability to manifest what you want It works consistently because it follows the ancient Universal Law that your thoughts and feelings create your reality and that you are already the ultimate artist behind each experience you have Success comes easily to those who are clear about who they are why they are doing what they are doing and what they honestly want to experience in their life In order to gain more clarity and direction look at what you are doing with your life Why are you doing what you are doing Is this what you really really want to be doing If you knew that you only had 90 days left to be alive what would do to help your soul evolve and also make a contribution to this planet Please make time to look at yourself and who you truly are You will achieve greater results in life simply by knowing the answers to these questions and really understanding why you are here on Earth right now Mastering the mind is the greatest challenge of this journey Yet when you stop and realize that you are ALWAYS the conscious awakened and permanent decision maker behind every thought you have you can choose to dive into or release any thought easily and effortlessly Only with this realization are you the master who can instantly change your focus from thinking you are disconnected tired poor and emotionally stuck into feeling a constant state of love abundance high energy and synchronicity With this awareness you will know that each personal fear you have is extra fuel for the fire that will burn away your ego and any negative patterns you have been holding onto Self doubt fear criticism and judgment cannot control your life if you are the master standing there with open arms welcoming them in to be experienced There is nothing wrong with having these experiences if you are open to harnessing the energy they have to break you free from your limiting mindset and ego If you believe fulfilling desires is the only way to find happiness watch out Staying on the manifesting journey requires an open mind that realizes great joy is always available right here and now Yes it is fantastic to fulfill your

desires and GO for what you want yet remember that there is more satisfaction currently inside your being than you may know We believe manifesting your every desire is like the frosting you find on a birthday cake It is not necessary to enjoy the cake but it sure makes the experience of tasting it a whole lot sweeter So go manifest that dream house become financially free travel the world marry your soul mate and live in a super fit body Just make sure that you remember to celebrate each step along the journey instead of waiting until you have arrived at your desired destination Along your manifesting journey see yourself as a brilliant artist creating a masterpiece from an enormous knotted tree trunk We encourage you to notice when your mind becomes too busy In the moments when you forget to enjoy the evolving beauty of this project step back from your masterpiece and see that YOU are already a great work of art Sit back relax grab a cup of tea and enjoy the creative process yet to come
