Potter,Dennis Conway,1997 This collection of essays represents the first in depth scholarly treatment of housing policies and conditions throughout the Caribbean The contributors consider both the performance of the state and the autonomous activities of the poor making this volume an invaluable contribution to future planning and debate The essays each dealing with a specific island or group of islands collectively address four main themes the history of housing provision since colonization current housing conditions state policies toward housing provision and the changing relationships between governments international funding agencies the private housing sector and the peoples responses These investigations not only highlight the often alarming problems that Caribbean nations face in providing adequate housing for the poor but also implicate governments in past and present failures and poor performances However the essays are also filled with useful insights about the ways in which progressive housing policies can be formulated and implemented For example the volume suggests that the Caribbean s rich heritage of folk and vernacular architectural styles should be taken into serious account in future planning efforts In a concluding synthesis chapter the volume editors argue that a more progressive future is attainable if all parties exhibit the political will that the poor have already demonstrated Early Egyptian Records of Travel David Paton,1922 The demotic ostraca , *In the Face of Death* Fabian F. Grassl,2020-01-01 My theological work was always only a superstructure placed upon the experiences and sufferings of my life Helmut Thielicke Thielicke s story is one of extraordinary circumstances Especially as a young man living through Germany s darkest hour he was time and again put on the brink of death by fatal sickness Nazi oppression and war These experiences left an indelible mark on his worldview In this thoroughly researched study Fabian F Grassl takes a fresh and original look at Thielicke s turbulent life through the specific lens of suffering and death He paints an intimate portrait of a boundary rider whose theology uniquely developed in the face of death As a result new light is cast on one of the outstanding theologians ethicists and preachers of the twentieth century The reader is invited to explore a world of thought decidedly shaped by the eschatological existence of an intriguing personality a flawed human being like the rest of us yet endowed with a fascinating theological prowess taking his stand amongst Germany s major historical upheavals of the last centenary *Commodity Prices from the Ramessid Period* Jozef Janssen,2023-10-09 **A Manual of Ugaritic** Pierre Bordreuil,Dennis Pardee,2009-06-30 Prepared by two of the best known scholars doing research on the language and texts of the ancient city of Ugarit modern Tell Ras Shamra A Manual of Ugaritic was first published in French in 2004 in two volumes Eisenbrauns is pleased to make it available now in a corrected and updated version in one volume with significant enhancements This book comprises a historical introduction to the texts and language an outline of the grammar of Ugaritic a bibliography facsimiles of a number of texts and a glossary and text concordance in short everything that a student needs for entr e into the language This English edition comes with digital
