Homeland Security Intelligence James E. Steiner, 2014-07-06 Homeland Security Intelligence is the first single authored comprehensive treatment of intelligence It is geared toward the full range of homeland security practitioners which includes hundreds of thousands of state and local government and private sector practitioners who are still exploring how intelligence can act as a force multiplier in helping them achieve their goals With a focus on counterterrorism and cyber security author James E Steiner provides a thorough and in depth picture of why intelligence is so crucial to homeland security missions who provides intelligence support to which homeland security customer and how intelligence products differ depending on the customer s specific needs and duties

Ticking Time Bomb Joseph I. Lieberman, 2011-05 The Fort Hood massacre on Nov 5 2009 which left 13 dead and 32 wounded could have been prevented Evidence of accused killer Nidal Hasan s growing drift toward violent Islamist extremism was on full display during his military medical training although his superiors took no punitive action He suggested Muslim Americans in the U S military might be prone to commit fratricide But a slipshod FBI invest into Hasan coupled with internal disagreements and flaws in the agency s intelligence operations also contributed to the government s failure to prevent the attack This report tracks Hasan s growing radicalization in the years before the attack and the numerous failures of the military to take action against him A print on demand report

Myths and Realities of Crime and Justice Steven E. Barkan, George J. Bryjak, 2013-07-19 An Engaging and Accessible Overview of Crime and Justice in America For all their interest in crime most Americans know very little about the reality of crime and the criminal justice system in the United States and most of what Americans do know is a loose collection of accumulated truths half truths and outright fallacies Myths and Realities of Crime and Justice What Every American Should Know Second Edition provides a concise but thorough overview of criminal behavior crime and the criminal justice system in the United States Using up to date social science research to debunk many of the beliefs Americans hold about crime the book examines key topics such as serial killers and mass murders gun violence criminal victimization identity theft policing and police corruption plea bargaining jury nullification wrongful convictions the death penalty and the CSI Effect The fully revised and updated second edition of this popular text includes the most recent crime and criminal justice data and covers several recent high profile crimes including the Newtown shooting the Jerry Sandusky case and the Trayvon Martin case It also includes new sections on recent trends in crime rates street gangs and hate crimes Ideally suited for students in criminal justice programs as well as professionals who work within or in tandem

with the criminal justice system **Myths and Realities of Crime and Justice What Every American Should Know Second Edition** is a thorough engaging and highly relevant portrait of crime and justice in America **The War on Guns** John R.

Lott,2016-08-01 When it comes to the gun control debate there are two kinds of data data that s accurate and data that left wing billionaires liberal politicians and media want you to believe is accurate In **The War on Guns Arming Yourself Against Gun Control Lies** nationally renowned economist John R Lott Jr turns a skeptical eye to well funded anti gun studies and stories that perpetuate false statistics to frighten Americans into giving up their guns In this his latest and most important book **The War on Guns** Lott offers the most thorough debunking yet of the so called facts data and arguments of anti gun advocates exposing how they have repeatedly twisted or ignored the real evidence the evidence that of course refutes them on every point In **The War on Guns** you ll learn Why gun licenses and background checks don t stop crime How gun free zones actually attract mass shooters Why Stand Your Ground laws are some of the best crime deterrents we have Women now hold over a quarter of concealed handgun permits How big money liberal foundations and the federal government are pouring hundreds of millions of dollars into public health studies the sole purpose of which is to manufacture false data against guns How media bias and ignorance skew the gun debate and why it will get worse From 1950 2010 not a single mass public shooting occurred in an area where general civilians are allowed to carry guns **A Ticking Time Bomb**

United States. Congress. Senate. Committee on Homeland Security and Governmental Affairs,2011 **Beyond Post-Traumatic Stress** Jean Scandlyn,2017-07-05 When soldiers at Fort Carson were charged with a series of 14 murders PTSD and other invisible wounds of war were thrown into the national spotlight With these events as their starting point Jean Scandlyn and Sarah Hautzinger argue for a new approach to combat stress and trauma seeing them not just as individual medical pathologies but as fundamentally collective cultural phenomena Their deep ethnographic research including unusual access to affected soldiers at Fort Carson also engaged an extended labyrinth of friends family communities military culture social services bureaucracies the media and many other layers of society Through this profound and moving book they insist that invisible combat injuries are a social challenge demanding collective reconciliation with the post 9 11 wars

Homeland Security Charles P. P. Nemeth,2016-12-08 Since formed in 2002 DHS has been at the forefront of determining and furthering some of the most hotly debated security issues facing the U S and global community in the 21st century Nearly 200 university programs with undergrad and graduate majors have cropped up in the last dozen plus years with limited resources available to teach from **Homeland Security Third Edition** will continue to serve as the core textbook covering the fundamental history formation oversight and reach of DHS currently The book is fully updated with new laws regulations and strategies across intelligence transportation sectors emergency management border security public utilities and public health **"Guns Don't Kill People, People Kill People"** Dennis A. Henigan,2016-07-26 A must read for every American who longs to bring sanity to our nation s gun laws this book debunks the lethal logic behind the myths that have

framed the gun control debate Ariana Huffington Huffington Post The gun lobby's remarkable success in using engaging slogans to frame the gun control debate has allowed it to block lifesaving gun legislation for decades But is there any truth to this bumper sticker logic Dennis Henigan exposes the mythology and misguided thinking at the core of these pro gun catchphrases which continue to have an outsized influence on public attitudes toward guns and gun control Pro Gun Myths Include When guns are outlawed only outlaws will have guns An armed society is a polite society The only thing that stops a bad guy with a gun is a good guy with a gun Gun control doesn't work because criminals don't follow the law Gun manufacturers shouldn't be responsible for gun crime any more than Budweiser is responsible for drunk driving We don't need new gun laws We just need to enforce the ones we have Gun control is a slippery slope to complete gun bans Henigan counters the gun lobby's messages by weaving together the most compelling current research and insights drawn from the grim reality of deadly gunfire in our homes and communities Henigan charts a new path toward ending the American nightmare of gun violence *The New York Times Index*, 2009 *Religion Is it Giving God a Bad Name?* Conrad Negrón, 2010-09-30 Religion is it Giving God a Bad Name by Conrad Negrón *The Wall Street Journal*, 2009 **Wounded Minds** John Liebert, William J.
