Thursday Legends (Bob Skinner series, Book 10) Quintin Jardine,2008-11-13 Old scores are settled in blood A brutal and apparently motiveless murder leads Skinner to suspect his own friends of treachery in Thursday Legends the gripping crime novel of retribution and ultimate justice from

acclaimed writer Quintin Jardine Perfect for fans of Ian Rankin and Peter Robinson This gritty fast paced mystery will pin even the most squeamish readers to the page Publishers Weekly For Deputy Chief Constable Bob Skinner the Thursday night football game at the local gym has long been an unbroken ritual With each match the players are a little older a little slower but as fiercely competitive as a gang of teenagers Until the savagely mutilated body of a former player is found and suddenly the Thursday Legends have more to worry about than aching backs and dodgy knees Former Head of Special Branch Alec Smith made plenty of enemies during his long career and there is no shortage of suspects But as Skinner s investigation gathers pace everything keeps pointing to the Legends themselves Is someone targeting this disparate group of colleagues and friends in some bizarre scheme of retribution Or is the murderer one of them Either way the hunt for the killer is going to come uncomfortably close to home What readers are saying about Thursday Legends Superb plotting excellent believable three dimensional characterisation and a detective who s just tougher scarier and more ingenious than the rest and a flawed family man to boot From the first page till the last it is a very hard book to put down Five stars
