[Teaching Mathematics in Grades 6 - 12](#) Randall E. Groth, 2012-08-10 A journey into the vibrant and intriguing world of mathematics education, *Teaching Mathematics in Grades 6-12* explores how research in mathematics education can inform teaching practice in grades 6-12. The author shows secondary mathematics teachers the value of being a researcher in the classroom by constantly experimenting with methods for developing students' mathematical thinking and then connecting this research to practices that enhance students' understanding of the material. The chapters in Part I introduce secondary teachers to the field of mathematics education with cross-cutting issues that apply to teaching and learning in all mathematics content areas. The chapters in Part II are devoted to specific mathematics content strands and describe how students think about mathematical concepts. The goal of the text is to have secondary math teachers gain a deeper understanding of the types of mathematical knowledge their students bring to grade 6-12 classrooms and how

students thinking may develop in response to different teaching strategies      The Smart Parent's Guide Jennifer Trachtenberg, 2010-03-16 What to Do When You Don't Know What to Do Moms and dads need expert guidelines especially when it comes to their kids health This book reveals the inside strategies I use myself I'm a parent too to avoid critical common blunders where it matters most in the ER pediatrics ward all night pharmacy exam room or any other medical hot spot for kids These tips could save your child's life one day Even tomorrow Dr Jen Making health care decisions for your child can be overwhelming in this age of instant information It's easy to feel like you know next to nothing or way too much Either way you may resort to guessing instead of making smart choices That's why the nation's leading health care oversight group The Joint Commission joined forces with Dr Jennifer Trachtenberg on this book to help you make the right decisions whether you're dealing with a checkup or a full blown crisis The Smart Parent's Guide will give you the information you need to manage the pediatric health care system Dr Jen understands the questions parents face as a mom she's faced them herself She walks you through everything from how to choose the best ER for kids not adults to when to give a kid medicine or not to how pediatricians care for their own children prepare to be surprised Her goal is your goal to protect the health of your children There simply is nothing more important
