Elie Wiesel's Night Harold Bloom, 2010 Collection of critical essays about Elie Wiesel's Holocaust memoir *Night*

*Professional Journal of the United States Army*, 2014-11 **Moving Beyond Personal Loss to Societal Grieving**

Michelle M. Falter, Steven T. Bickmore, 2018-11-23 *Moving Beyond Personal Loss to Societal Grieving* considers how secondary English language arts teachers and teacher educators can sensitively and thoughtfully teach pieces of literature in their classrooms in which large scale deaths are a significant if not central aspect of the texts. As mass shootings and violence against black and brown bodies increase and issues such as AIDS, war, and genocide remain important to discuss as part of a shared critical and social consciousness, this book provides resources for educators to directly tackle and discuss these topics through the texts they read in their ELA classrooms. Whether it is canonical or contemporary literature, middle grades or young adult literature, fiction, nonfiction, or graphic novels, literature provides a vehicle to have these difficult but needed conversations about not only the personal but social effects of death and grief in our society. Each chapter in this book focuses on 1-2 texts and provides practical activities that ask students to engage with death, dying, and loss through writing, assignments, projects, activities, and discussion prompts in order to build empathy, understanding, and develop critically minded and engaged students. *Moving Beyond Personal Loss to Societal Grieving* will be of interest to English language arts teachers, teacher educators, librarians, and scholars who wish to explore with their students the complex emotions that revolve around discussing deaths that occur in literature.

Teaching for a Tolerant World, Grades 9-12 Leatrice Rabinsky, 1999 A collection of essays and a resource to help high school English teachers adapt their own classroom lessons for teaching about genocide and intolerance. Inspirational and provocative essays by teachers reflect on classroom experiences and present approaches to teaching various works exploring topics such as racial prejudice, the Salem witch trials, and the Holocaust. Methods used include conflict resolution and peer dialogue journals. A final section offers lists of print, nonprint, electronic, and organizational resources. **Long Night's Journey into Day** Alice L. Eckardt, A. Roy Eckardt, Irving Greenberg, Franklin H. Littell, 2016-11-08 *Long Night's Journey into Day* is a stimulating and provocative attempt to deal with the impact and meaning of the Holocaust within contemporary Christian and Jewish thought. To Jews, the Holocaust is the most terrible happening in their history, but it must also be seen as a Christian event. The Eckardts call for a radical rethinking of the Christian faith in the light of the Holocaust, examining such issues as the relation between human and demonic culpability, the charge of God's guilt, and the reality of forgiveness. They clarify the theological meaning of the Holocaust and the responsibility that must be borne for it by the Christian Church and discuss possible responses to it as exemplified in the writings of selected modern theologians and church councils. This enlarged and revised edition takes into account new topics and developments, including the issue of Austrian responsibility for the Holocaust, the significance and aftermath of Babi Yar.

and antisemitism in German feminism More detailed attention is also given to other modern genocides and occasions of humanly caused mass death Additional literary historical and religious works are considered and appropriate quotations incorporated The new edition also includes a revised preface an updated bibliography and two new appendices

**There are no Right Answers to Wrong Questions** Peter C. Wilcox, 2016-06-28 Abraham Joshua Heschel said that We are closer to God when we are asking questions than when we have the answers He believed that to be a Christian is not to be a person who knows all the answers but one who lives in the part of the self where the question is constantly being born Most of us don't think very much about our questions In our culture we are accustomed to being able to find out answers to nearly any question just by typing it into Google search or asking Siri But behind any answer there is always a question Sometimes the question isn't clear to us sometimes it is not very well articulated even to ourselves But it is always there In over thirty years as a psychotherapist and spiritual director Peter C Wilcox has seen how the questions people ask themselves have shaped their lives in some very important ways This book is an invitation to see how important it is to learn how to ask the right questions about our lives This is because our choice of questions leads us on a path of discovery towards answers that help us to grow spiritually and psychologically Our questions orient our lives and give direction to us We will see that they enable us to make fifteen choices that have a tremendous impact on the kind of person we become *The Routledge Handbook to Auschwitz-Birkenau* Sarah M.
