Night Without End:

Night without End Jan Grabowski, Engelking, 2022-09-06 Three million Polish Jews were murdered in the Holocaust wiping out nearly 98 percent of the Jewish population who had lived and thrived there for generations Night Without End tells the stories of their resistance suffering and death in unflinching horrific detail Based on meticulous research from across Poland it concludes that those who were responsible for so many deaths included a not insignificant number of Polish villagers and townspeople who aided the Germans in locating and slaughtering Jews When these findings were first published in a Polish edition in 2018 a storm of protest and lawsuits erupted from Holocaust deniers and from people who claimed the research was falsified and smeared the national character of the Polish people Night Without End translated and published for the first time in English in association with Yad Vashem presents the critical facts significant findings and the unmistakable evidence of Polish collaboration in the genocide of Jews

Night Without End Alistair MacLean, 1981-12 Snow White Blood Red Seconds ago the passengers were sitting in the cozy security of their pressurized cabin with a controlled temperature of 70 Then the crash the tearing jagged screeching as the plane ripped along the ice and snow the tidal wave of the dreadful cold 40 below zero swept in and engulfed the survivors the dazed the injured the S and the dying as they sat in the crumpled wreckage of their seats wearing only thin suits and dresses And so began the terrible arctic night a night without end where the darkness would bring with it murder and betrayal and cowardice And the chilling knowledge that among them was a ruthless agent determined to carry out his desperate mission Jacket
