Popular Photography ,2008-01 **Operation Caesar** Garance Le Caisne,2018-05-17 Never before has such damning evidence of war crimes and crimes against humanity been revealed in the midst of a conflict As civil war raged in Syria we owe the disclosure of this evidence to one man He goes under the codename of Caesar This military police photographer was required to document the murder and torture of thousands of Syrian civilians in the custody of the Assad regime Over the course of two years he used a police computer to copy the photos and in 2013 he risked his life to smuggle out 53 000 photos and documents that show prisoners tortured starved and burned to death In January 2015 in the American magazine Foreign Affairs President Bashar al Assad claimed that this military photographer didn't exist Who took the pictures Who is he Nobody knows There is no verification of any of this evidence so it's all allegations without evidence Caesar exists The author of this book has spent dozens of hours with him His testimony is extraordinary his photos shocking The uncovering of the workings of the Syrian death machine that underpins his account is a descent into the unspeakable In 2014 Caesar testified before the House Foreign Affairs Committee and his testimony provided crucial evidence for a bipartisan bill the Caesar Syria Civilian Protection Act that was presented to Congress in 2016 Caesar's photos have also been shown in the United Nations Headquarters in New York and at the Holocaust Memorial Museum in Washington D C For the first time this book tells Caesar's story **Popular Photography** ,2008 Popular Photography ,2008-01 Popular Photography ,2006-01
