Hancock,2025-01-10 From renowned YouTube photography educator David Hancock this short and comprehensive guide
details the Nikon FG 35mm film SLR s operation This 10 000 word tutorial will help you understand why the camera works as
it does and teach you to use it to obtain the best photos from it This book describes how to use the camera and more
importantly explains why the different functions benefit and improve your photography This book also describes known
problems with the Nikon FG how to identify them and options to correct issues In this 60 minute read Mr Hancock covers the
basic operating points such as changing batteries loading film mounting lenses and using a flash He also explains the reasons
that each process works and provides tips and tricks for each task to help ensure that the photographer understands why
each function is important Whether you re a new film photographer a student a returning hobbyist or even if you ve never
held a film camera before this manual will provide you the details and information that you need to know to effectively use
