## **Nigella's Mincemeat Recipe:**

**Feast** Nigella Lawson, 2013-02-05 *Feast* is written to stand alongside Nigella's classic and best loved book *How to Eat*. Comprehensive and informed, this stunning new book will be equally at home in the kitchen or on the bedside table. A feast for both the eyes and the senses, written with Nigella Lawson's characteristic flair and passion, *Feast* is a major book in the style of her classic *How to Eat*, applying Nigella's Pleasures and Principles of Good Food to the celebrations and special occasions of life. Essentially about families and food, about public holidays and private passions, about how to celebrate the big occasions and the small everyday pleasures, those times when food is more than just fuel, *Feast* takes us through Christmas, Thanksgiving and birthdays to Passover and a special Sardinian Easter, from that first breakfast together to a meal fit for the in-laws, from seasonal banquets of strawberries or chestnuts to the ultimate chocolate cake, from food for cheering up the Unhappy Hour to funeral baked meats, from a Georgian feast to a love fest, from Nigella's all-time favourite dish to a final New Year fast. Evocative, gorgeous, refreshingly uncomplicated and full of ideas, *Feast* proclaims Nigella's love of life and great food, with which to celebrate it. Packed with over 200 recipes from all over the world and from near home, with helpful menus for whole meals and more than 120 colour photographs, *Feast* is destined to become a classic.

**Christmas Past** Brian Earl, 2022-11-01 Behind every Christmas tradition is a story, usually a forgotten one. Each year as we decorate a tree, build a gingerbread house and get ready for a visit from St Nicholas, we're continuing generations old narratives while being largely unaware of their starting chapters. But knowing how these traditions began adds a new level of depth to our Christmas spirit, as well as an arsenal of anecdotes to share at Christmas parties. *Christmas Past: The Fascinating Stories Behind Our Favorite Holiday's Traditions* reveals the surprising, quirky, mysterious and sometimes horrifying stories behind the most wonderful time of the year. With 26 short chapters, it's a festive, digestible Advent calendar of a book. Covering traditions ancient and modern, *Christmas Past* is filled with stories of happy accidents, cultural histories, criminal capers including tomb raiders and con artists, and hidden connections between Christmas and broader social, economic and technological influences. How did the invention of plate glass forever change the Christmas season? What common Christmas item helped introduce fine art to the masses? Why do Americans typically spike their eggnog with rum rather than the traditional brandy? And speaking of booze, does using the phrase 'Merry Christmas' mark you as a drunken reveler? *Christmas Past* answers all of those questions and many more.
