Nigerian Army Question And Answer:

Nigeria Answers Questions Nigeria. Federal Ministry of Information, 1968 *Federal Nigeria* , 1958 **Recruiting, Drafting, and Enlisting** Peter Karsten, 2013-10-31 These five volumes concern one of the most important institutions in human history the military and the interactions of that institution with the greater society Military systems serve nations they may also reflect them Soldiers are enlisted they may also be said to self select Military units have missions they also have interests In an older more traditional military history while the second reflects a newer approach Although each statement in the pairs may be said to be true the former speak from the framework of the military sciences the latter from the framework of the social and behavioral sciences The military systems of our past differ from one another over time in political origins size missions and technological and tactical fashions but to a great extent their historical experiences have been more noticeably similar than they were different When we ask questions about the recruiting training or motivating of military systems or of those systems interactions with civilian governments and with the greater society as do the essays in these five volumes of reading on *The Military and Society* we are struck by the almost timeless patterns of continuity and similarity of experience In each of these volumes approximately half of the essays selected deal with the experience in the United States the other half with the experiences of other states and times enabling the reader to engage in comparative analysis

Counter-Insurgency in Nigeria Akali Omeni, 2017-09-08 This book offers a detailed examination of the counter insurgency operations undertaken by the Nigerian military against Boko Haram between 2011 and 2017 Based on extensive fieldwork conducted with military units in Nigeria Counter Insurgency in Nigeria has two main aims First it seeks to provide an understanding of the Nigerian military's internal role a role that today as a result of internal threats pivots towards counter insurgency The book illustrates how organizational culture historical experience institutions and doctrine are critical to understanding the Nigerian military and its attitudes and actions against the threat of civil disobedience today and in the past The second aim of the book is to examine the Nigerian military campaign against Boko Haram insurgents specifically plans and operations between June 2011 and April 2017 Within this second theme emphasis is placed on the idea of battlefield innovation and the reorganization within the Nigerian military since 2013 as the Nigerian Army and Air Force recalibrated themselves for COIN warfare A certain mystique has surrounded the technicalities of COIN operations by the Army against Boko Haram and this book aims to disperse that veil of secrecy Furthermore the work's analysis of the air force's role in counter insurgency is unprecedented within the literature on military warfare in Nigeria This book will be of great interest to students of military studies counter insurgency counter terrorism African politics and security studies in general

NIGERIA MILITARY REVENGE IN BENUE: A Population Under Attack , **May 15, 16, June 5, 6, 7, and 8, 1967**
United States. Congress. House. Committee on Foreign Affairs, 1967 Considers H R 7099 a bill to amend further the Foreign assistance act of 1961 as amended and for other purposes to authorize foreign and military aid expenditures for FY68

Focuses on foreign and military assistance programs to Vietnam and other parts of southeast Asia Classified material has been deleted Hearings United States. Congress. House. Committee on Foreign Affairs, 1967 Hearings, Reports and Prints of the House Committee on Foreign Affairs United States. Congress. House. Committee on Foreign Affairs (1789-1975), 1967 *Foreign Assistance Act of 1967* United States. Congress. House Foreign Affairs, 1967 **Foreign Assistance Act of 1967** United States. Congress. House. Committee on Foreign Affairs, 1967 Considers H R 7099 to amend the Foreign Assistance Act to authorize foreign and military aid expenditures for FY68 Focuses on foreign and military assistance programs to Vietnam and other parts of southeast Asia Classified material has been deleted **Military Integration After Civil Wars** Florence Gaub, 2010-09-13 This book examines the role of multiethnic armies in post conflict reconstruction and demonstrates how they can promote peacebuilding efforts The author challenges the assumption that multiethnic composition leads to weakness of the military and shows how a multiethnic army is frequently the impetus for peacemaking in multiethnic societies Three case studies Nigeria Lebanon and Bosnia Herzegovina determine that rather than external factors it is the internal structures that make or break the military institution in a socially challenging environment The book finds that where the political will is present the multiethnic military can become a symbol of reconciliation and coexistence Furthermore it shows that the military as a professional identity can supersede ethnic considerations and thus facilitates cooperation within the armed forces despite a hostile post conflict setting In this the book challenges widespread theories about ethnic identities and puts professional identities on an equal footing with them The book will be of great interest to students of military studies ethnic conflict conflict studies and peacebuilding and IR in general Florence Gaub is a Researcher and Lecturer at the NATO Defence College in Rome She holds a PhD in International Politics from Humboldt University Berlin Veils, Turbans, and Islamic Reform in Northern Nigeria Elisha P. Renne, 2018-10-16 *Veils Turbans and Islamic Reform in Northern Nigeria* tells the story of Islamic reform from the perspective of dress textile production trade and pilgrimage over the past 200 years As Islamic reformers have sought to address societal problems such as poverty inequality ignorance unemployment extravagance and corruption they have used textiles as a means to express their religious positions on these concerns Home first to the early indigo trade and later to a thriving textile industry northern Nigeria has been a center for Islamic practice as well as a place where everything from women s hijabs to turbans buttons zippers short pants and military uniforms offers a statement on Islam Elisha P Renne argues that awareness of material distinctions religious ideology and the political and economic contexts from which successive Islamic reform groups have emerged is important for understanding how people in northern Nigeria continue to seek a proper Islamic way of being in the world and how they imagine their futures spiritually economically politically and environmentally State Magazine ,2014 *The Nigeria-Biafra War, OAU and the Politics of Diplomatic Recognition of Biafra, 1967 - 1970* Nwobi Obiora Isaac, A historical methodology of analysis that is thematic chronological and descriptive

was adopted in this study of the Nigeria Biafra war of 1967-1970 particular regarding the Organization of African Unity OAU and the Politics of Recognition given to Biafra during the Civil War. The focus of this book is to unearth the factors that propelled the four African states to declare support and accord de facto recognition to the Biafran regime against the OAU's position. The nature, dimension, significance and the implications of such recognition were also analyzed. The title of the work is not only interesting but inviting. It spans across the diverse disciplines of History, International Relations, Political Science and International Law. The results indicate as follows: i) Diplomatic recognition of Biafra by four African states became an elixir to the prolongation of the Nigeria Biafra war; ii) The credibility of the Organization of African Unity OAU appeared severely tarnished given the contradictions inherent in its charter vis-à-vis the national interests and dispositions of some of its member nations; iii) Nigeria's insistence that the conflict was its internal affairs also presented another contradiction as by so doing Nigeria purported to be a judge in its own cause by way of adjudication and negotiations; iv) The blockade and quarantine of Biafran territory meant to emasculate the economy and society of the secessionist enclave inadvertently succeeded in galvanizing international sympathy for the Biafran cause besides giving a lie to the aforementioned mantra of Nigeria's internal affairs as mentioned earlier; v) Despite the enormous humanitarian question raised and sustained by the war, power politics and international realist perspective prevailed at the end.

Toward Understanding The Nigeria-Biafra War and Lingering Questions Joseph Nnodim, 2022-11-14

Toward Understanding the Nigeria Biafra War and Lingering Questions is a well-researched account of the British engagement with the peoples of the lower Niger river basin which resulted in the fabrication of a Nigerian state under insincere and contrived premises. The myriad ethnic groups shared nothing cherishable and never managed to find commonality of purpose or civic principle, no small thanks to colonial policies predicated on divide et impera. As a result, the indigenous political class was bequeathed a toxic legacy of interethnic suspicion, incoherence and disharmony at independence in 1960. Crisis followed crisis until the armed forces intervened and the First Republic collapsed in 1966. A further cascade of tragic events including the mass slaughter of people of the East caused that region to proclaim itself the independent sovereign Republic of Biafra in 1967. A civil war ensued and the critical developments during the crucial combat period are exhaustively chronicled. The Biafran capital Enugu fell after three months of bitter fighting. A war of attrition ensued lasting twenty-seven more months during which at least one million babies and children succumbed to inanition. The Nigeria Biafra War stands out ignominiously as one of the very rare conflicts in modern history in which one of the belligerents overtly declared its intention to starve its adversary into submission and clung to that policy even when it became abundantly clear that the victims were predominantly babies. No proper accounting has been demanded or given. The Igbo were the largest of the ethnic groups in the Republic of Biafra. They had been in the vanguard of the struggle for Nigeria's independence and unity but paradoxically became the whipping boy in the postcolonial era when the country lost its collective mind. They were subjected to untold savagery before as well as during the civil war whose repercussions they

continue to suffer to the present day Their ethnography is explored in the context of both the conflict and the entirety of their Nigerian experience
