Night Call English Edition:

MYSTICISM (Complete Edition) Evelyn Underhill, 2023-12-01 Evelyn Underhill's MYSTICISM Complete Edition serves as a profound exploration into the intricacies of mystical experience and its significance within the spiritual journey. Blending a rich tapestry of philosophy, theology, and psychology, Underhill employs an elegant literary style that weaves historical context with personal insights. The work meticulously examines various mystical traditions, providing an accessible yet comprehensive overview of their practices and underlying principles. Through her systematic analysis, she elevates mysticism from a peripheral component of religious experience to a central pillar of spiritual understanding, firmly situating her discussion within both Western and Eastern perspectives. Evelyn Underhill was a pioneering figure in the study of mysticism, a fact that deeply informs her authoritative voice in this text. Born in 1875, she was a novelist, poet, and passionate scholar of religion who engaged with not only Christian mystics but also Sufism and the philosophies of the East. Her personal contemplative practices and scholarly pursuits coalesce in this seminal work, reflecting her pursuit of a unifying thread among diverse spiritual traditions. MYSTICISM Complete Edition is highly recommended for scholars, practitioners, and seekers alike, as it invites readers to deepen their understanding of mystical phenomena and encourages a reflective engagement with the divine. Nicholas Birns, Juan E. De Castro, 2017-01-26 Roberto Bolaño as World Literature provides an introduction to the Chilean novelist that highlights his connections with classic and contemporary masters of world literature and his investigation of topics of international interest, such as the rise of rightwing and neofascist movements during the last decades of the 20th century. But this anthology also shows how Roberto Bolaño's participation in world literature is informed in his experiences, identity, and more generally cultural location as a Chilean, Latin American, and more generally Hispanic writer and man. This book provides a corrective to readings of his novels as exclusively postmodern or as unproblematically representative of Chilean or Latin American reality. Roberto Bolaño as World Literature thus helps readers to better understand such complex works as his monumental global five-part masterpiece 2666, his Chilean novels Distant Star, By Night in Chile, and his Mexican narratives Amulet, The Savage Detectives, among other works.
