

Elie Wiesel's Night Essay Example

The tragedies of the holocaust forever altered history. One of the most detailed accounts of horrific events from the Nazi regime comes from Elie Wiesel's *Night*. He describes his traumatic experiences in German concentration camps, mainly Buchenwald, and engages his readers from a victim's point of view. He bravely shares the grotesque visions that are permanently ingrained in his mind. His autobiography gives readers vivid, unforgettable, and shocking images of the past. It is beneficial that Wiesel published his work, if he had not the world might not have known the extent of the Nazis reign.

He exposes the cruelty of man, and the misuse of power. Through a lifetime of tragedy, Elie Wiesel struggled internally to resurrect his religious beliefs as well as his hatred for the human race. He shares these emotions to the world through *Night*. Being confined in a concentration camp was beyond unpleasant. Mortality encumbered the prisoners effortlessly. Every day was a struggle for food, survival, and sanity. Fear of being led into the gas chambers or lined up for shooting was a constant. Hard labor and inadequate amounts of rest and nutrition took a toll on prisoners.

The stomach alone was aware of the passage of time" (*Night* Quotes). Small, infrequent, rations of a broth like soup left bodies to perish which in return left no energy for labor. If one wasn't killed by starvation or exhaustion they were murdered by fellow detainees. It was a survival of the fittest between the Jews. Death seemed to be inevitable, for there were emaciated corpses lying around and the smell of burning flesh lingering in the air.

All they had left was faith, and it too was dying. The concentration camps were gloomy and centered around an almost certain death, "...we noticed in the center of the camp, at the assembly place, a black gallows" (Wiesel 682). The prisoners were forced to walk by gallows and watch executions of fellow prisoners, and usually they showed no remorse for the dead. Some even considered them lucky to be hung, that they no longer had to endure the suffering. The most significant hanging involved a young child who was a servant to the SS; he was beloved among other prisoners.

The death of the boy was the breaking point of Wiesel's internal conflict with his faith in God. Before experiencing the atrocious events of the holocaust Elie Wiesel was completely devoted to his religion and to God. As a young boy he would engulf himself in religious books and spend many hours at temple. His faith slowly dwindles during his hard times in the concentration camps. It is difficult to put all faith in God when experiencing something as tragic as the holocaust; it was easier to just give up hope.

Faith served as his impetus, but not for long. I've got
