Magic Lantern Guides®: Nikon D60 Simon Stafford,2009-06-02 Photographers will be happy to see this successor to Nikon's user friendly D40x. Small and light it's perfect for those moving up from compact digital cameras. And it's better than ever with its enhanced Retouch menu options, new EXPEED digital image processing for refined tone and color, lightning like start up time and Active D Lighting that improves image quality in high contrast conditions. Magic Lantern DVD Guide provides a perfect introduction to the model while the book written by Nikon expert Simon Stafford will take them even more deeply into the camera's every function. Nikon D60 Digital Field Guide J. Dennis Thomas,2011-08-02 As an introductory level digital SLR the Nikon D60 offers one button simplicity using the Auto function or countless options using the more complex manual controls. Nikon D60 Digital Field Guide is filled with everything you need to know to capture amazing photographs using your Nikon 60. Starting with a Quick Tour which will help you use your Nikon D60 straight out of the box this book will help you graduate from using the Auto function in every situation to using the more complex manual controls with confidence. This full color portable guide walks you through the essential controls, features and functions of the Nikon D60 digital SLR using step by step instructions and full color images of each menu screen. This robust guide not only shows you how to adjust white balance, autofocus, exposure and choose lenses it also teaches you when and why you should adjust each of these key settings. Additionally the Nikon D60 Digital Field Guide goes beyond camera settings to offer you a refresher guide to the principles of digital photography covering the essentials of lighting, composition and exposure. Filled with amazing examples of actual Nikon D60 photography, this book also presents a variety of tips and tricks to capturing portraits, candid, sports, travel, macro photography and much more. **Nikon D60 For Dummies** Julie Adair King,2011-03-16 You've decided to upgrade from your old point and shoot by purchasing the compact and economical Nikon D60 an SLR model without all the bulk. Now make the most of your new digital camera by actually learning how to use all those options and settings. Take advantage of external controls and learn how to navigate the camera menus to fully customize internal options so that you can capture sharp and print photographs like a professional. You'll find out how to understand the controls, navigate the menus, choose your settings, access internal options and become familiar with automatic modes. You'll learn to use the Image Quality and Image Size settings which are necessary for both automatic and manual picture taking. Then you can easily express your creativity by managing aperture, shutter speed, ISO and editing your photographs on a computer. You will download photos and print them to share with your friends and family. You will find out how to Master camera controls. Use automatic and manual modes. Change focus and zoom lenses. Adjust picture quality and resolution. Manipulate exposure and lighting. Work with picture files. Print and share photos. Complete with lists of ten photo retouching tricks from repairing red eye to cropping photos and ten special purpose features you can explore on a rainy day. Nikon D60 For Dummies is your one stop guide to taking and sharing the pictures like a pro. **Magic Lantern Guides:**
