Williams' Cincinnati Directory, City Guide and Business Mirror ,1875 *Figuring Sex Between Men from Shakespeare to Rochester* Paul Hammond,2002 Includes discussion of the Sonnets Twelfth night and The merchant of Venice *The Book of Common Prayer* Charles Hefling,2021 The Book of Common Prayer is a remarkable book a sacred book in more than one sense It is primarily a liturgical text meant to be used in corporate worship and at the same time a literary landmark a cultural icon and a focus of identity for Anglican Christianity This brief accessible account of the Prayer Book as it is often called describes the contents of the classical version of the text with special emphasis on the services for which it has been used most frequently since it was issued in 1662 Charles Hefling also examines the historical and theological context of the Prayer Book s origins the changes it has undergone the controversies it has touched off and its reception in England Scotland and America Readers are introduced to the political as well as the spiritual influence of the Book of Common Prayer and to its enduring place in English speaking religion **British Postal Guide** Great Britain. WILLIAMS (Author of "Traveller's Guide thro' New England.".),1851 **A guide to the cathedrals of England and Wales. ... With ... short notes of the chief objects of interest in every cathedral city** Mackenzie Edward Charles WALCOTT,1860 **United States Official Postal Guide** ,1905 *The Guide to Norfolk Churches* D P Mortlock,C V Roberts,2017-08-31 The profusion of medieval churches in Norfolk provides not only examples of beautiful church architecture but also records life in their communities and offers an insight into the history of medieval England The third revised and enlarged edition of The Guide to Norfolk Churches contains an encyclopaedic glossary and a detailed index which contribute to the comprehensive survey provided by this guide

This indispensable guide to the living medieval churches of Norfolk helps the visitor to understand both the general features of churches and the unique aspects of those in different areas. The guide is generously illustrated with photographs, line drawings and a detailed map to aid in locating each church within the county. The expanded reference section is designed to answer a host of questions which may tease the church visitor. For example, what symbols are used to represent particular saints? Why do so many Norfolk churches stand isolated from their villages? And why does the pagan Green Man find a place in our Christian churches? This book provides the answers to these and other questions. Written by enthusiasts for both the churches and the county in which they stand, the great appeal of this guide is that once the code of church architecture has been broken and the language learned, every church, be it ever so humble, is shown to be unique with its own story to offer. This guide provides the key. In this his revised guide to Norfolk churches, Mr Mortlock has provided us with a fascinating and illuminating description of each and every one he has visited. Armed with this guide, the visitor cannot fail to enjoy exploring our lovely churches and, having done so, it is my earnest hope that he or she will be inspired to lend their support to these marvellous symbols of our heritage.
