but she had no idea her life was about to change forever Alec knew he shouldn't do this He should've called but this wasn't something you could talk about over the phone Hi I'm actually the father of your small child who might be a Bear Shifter like me Sometimes you just had to be bold even if that meant crossing the line into dangerous Rock Gemma had been to her fair share of parties but this one was a bit different It wasn't that long ago that she was a wild party girl hitting up frats and luring studs into her web of drama and seduction But those days were behind her Today's party was for her young son Arthur As a rambunctious two year old she hoped that he would have fun and remember it Her back yard started filling with guests including a tall broad shouldered man whose eyes she found entrancing Rock wasn't sure how this was supposed to go He was a complete stranger showing up at this lady's house and needing to have a very intimate conversation with her He thought about turning around getting back into his car and driving away But then he heard a little laugh coming from the back yard He knew instantly that it was his cub and nothing was going to stop him from being the best father he could be Jackson Olivia Hendricks put on her best face as she looked in the mirror Her best friend's wedding was finally here and she was happy to stand for her friend But there was no denying that her body had seen better days Her toddler tugged at his adorable little tux like a wild animal as they scooted out the door Could today just be over Jackson saw her from across the dance floor and she took his breath away He watched her sway back and forth to the music her son on her hip Every nerve in his body screamed that that was his cub He couldn't believe that the little was actually real actually there in front of him Taking a deep breath he made his way to the two most important people in his life Clay Chloe was exhausted Moving from New York City to Ithaca NY had been a real strain on this city girl Her darling son Noah had been a handful as usual but lately he'd been behaving strangely around the other kids his age A nice trip to the zoo would let him get out some of that energy and hopefully let Chloe relax a little bit But whatever the day had in store for her relaxation would play no part in it Clay knew this was the wrong way to do it Trying to naturally meet someone you've been tracking down is never going to work but what choice did he have She was raising his cub and that meant the normal playbook was going right out the window As soon as he laid eyes on her he had a feeling that the wrong way was going to suit him just fine Rust Rust was a man in pieces He never had much going for him truth be told His broad shoulders and the golden shine in his Bear Shifter eyes meant he had few enemies but that didn't matter now Haunted and tormented by a terrible event he decided he'd had enough drowning in pity and sorrow He would meet his fate no matter the consequences And if he could make someone's life a little better in the process so be it USA Today Bestselling Author Becca Fanning brings you a Shifter Romance novella box set packed full of action intrigue and steam Fated Mates have never been so right and wrong for each other Keywords bear shifter bad boy bbw fated mates paranormal romance with sex pnr curvy gothic romance new adult romance clan pack series fantasy steamy romance paranormal romance books for adults reformed rake contemporary romance hot romance hot shifter romance shifter romance series instalove shifter conflicts new adult urban fantasy alpha male werebear shapeshifter

Cholmondeley deftly employs vivid imagery and nuanced character development, reflecting the emerging themes of the late Victorian era, particularly focusing on gender dynamics and emotional honesty. Her writing style balances realism with lyrical prose, inviting readers into the intimate lives of her characters while deftly critiquing the societal norms of her time. Mary Cholmondeley (1859-1925) was a prominent figure in the literary landscape of her era, known for her progressive views on various social issues, including women's rights. Growing up in a family of intellectuals and experiencing the complexities of Victorian society, she used her writing as a vehicle for social commentary and personal expression. Her own life experiences, particularly the constraints placed on women, deeply informed the multifaceted characters she created within her stories. *The Romance of His Life and Other Romances* is highly recommended for readers interested in the intricacies of love and identity against the backdrop of a transformative era. Cholmondeley's keen observations and emotional depth will resonate with those who appreciate literature that challenges conventions while revealing the profound truths of human experience. *Graham's Illustrated Magazine of Literature, Romance, Art, and Fashion*, 1842 *The Psychology of Love* Michele A. Paludi, 2012-03-09 From arranged marriages to online dating, this four-volume work presents everything from personal accounts to empirical evidence to document what creates love in our culture as well as around the world. The field of biology views love as a hard-wired mammalian drive, akin to thirst and hunger. In contrast, psychology views love from a social and cultural perspective, where our drive to find love and our responses to it are highly dependent on societal norms. In *The Psychology of Love*, esteemed author and educator Michele A. Paludi examines love through all lenses, thereby providing readers a deeper understanding of the ways we can express caring, sensitivity, empathy, and respect toward one another. Each chapter in this comprehensive four-volume work includes a scholarly overview of empirical research and theories about the psychology of love. In addition, individuals' own definitions of love are included. Special attention is paid to accepted standards of love across a variety of cultures, the ways individuals express liking and love across the lifecycle, and patterns in dissolutions of friendships and romantic relationships, making note of gender and race differences. **Romance's Pieces** Kashish Chadha, 2021-02-11 We all live a life which is full of colours.
