concordance While a concordance is limited to the connection of biblical passages in which the same word appears the topical approach identifies and connects all of the underlying concepts related to a topic A concordance would not yield John 3 16 for a study of grace because the word grace does not appear in the verse but The Complete Topical Guide to the Bible includes John 3 16 for grace because it s an essential verse on the topic The topics in this resource include biblical doctrinal and historical subjects and they are organized into nine major categories God Jesus Christ the Holy Spirit creation humanity sin and salvation God s people the life of the believer and the last things In addition to the great themes of the biblical message practical issues of Christian living are also included *Computer Strategy Games Bible* Michael Rymaszewski,1996 The Computer Strategy Games Bible covers the top 15 computer strategy games of all time Among the games included are Warcraft II Sid Meier s Civilization Command and Conquer Caesar II Pirates Heroes of Might and Magic Warlords II Master of Orion Merchant Prince Railroad Tycoon Lords of the Realm Master of Magic and X COM **A Radical Faith : Study Guide** James W.
