## **Anthropology of Tourism in Central and Eastern Europe** Sabina Owsianowska, Magdalena

Banaszkiewicz, 2018-04-11 In Anthropology of Tourism in Central and Eastern Europe Bridging Worlds Sabina Owsianowska and Magdalena Banaszkiewicz examine the limitations of the anthropological study of tourism which stem from both the domination of researchers representing the Anglophone circle as well as the current state of tourism studies in Central and Eastern Europe This edited collection contributes to the wider discussion of the geopolitics of knowledge through its focus on the anthropological background of tourism studies and its inclusion of contributors from Austria Bulgaria Estonia and Poland

Encyclopedia of Easter Celebrations Worldwide William D. Crump, 2021-03-08 At Eastertime the most important holiday in the Christian world religious processions in many Latin American countries pass over ornate street carpets fashioned from colored sawdust flowers and fruit Children in Finland and Sweden dress as Easter witches In the Caribbean those who swim on Good Friday risk bad luck In the Philippines some penitents volunteer to be crucified In some European countries Easter Monday is the day for dousing women with water With 240 entries this book explores these and scores of other unusual and sometimes bizarre international Holy Week customs both sacred and secular from pilgrimages to Jerusalem to classic seasonal films and television specials

**History of Romanian Technology and Industry** Dorel Banabic, 2023-12-18 This volume showcases the valuable achievements of the Romanian technology and industry worldwide It started from the premise that the history of Romanian technique is scarcely known outside the borders of Romania The main Romanian contributions to the world's technological heritage are missing except for a few names in the field of aviation from the great encyclopedias and dictionaries published worldwide This is due among other reasons to the insufficient promotion in widely

spoken languages of the history of Romanian technology The multidisciplinary approach of the volumes means that the field of technology had to be split into several branches The present volume includes the following industries mining metallurgy oil natural gas machine building agricultural machinery military textiles and construction Folk technology the formation of the industrial system and mechanics are tackled in separate chapters For each field are engaged the collaboration of authors who have already published a history of their field Certain chapters were drafted with the aid of specialists who have played the part of policy makers in the elaboration of development strategies for Romania and who are familiar not only with the facts and the history of their field but also with the philosophy behind its development

**Planning and Managing the Experience Economy in Tourism** Augusto Costa, Rui, Brandão, Filipa, Breda, Zelia, Costa, Carlos, 2021-12-03 Tourism is facing a new paradigm that has been brought on by the introduction of experiences in the development management and promotion of tourism Associating experiences to tourism destination and products allows tourists to relate to their vacations differently and helps to fuel a destination's competitiveness and compliance with new needs and motivations that are being driven by the tourists When properly design managed and developed tourism experiences can contribute to the destination's overall sustainability by maximizing tourism's positive impacts and fostering their spillover to local communities Planning and Managing the Experience Economy in Tourism is an essential reference book that seeks to advance research on tourism experience as well as investigate how tourism experiences can create and increase tourism competitiveness The book explores how the experience concept has evolved in the last decade alongside the needs and motivations of consumers and how it can be conceptualized designed managed and implemented both at the tourism firm and destination levels Delving further into concepts like creative tourism destination attributes and smart experiences this book serves as a dynamic resource for travel agencies tourism managers tourism professionals marketers destination managers government officials policymakers academicians students tourism officials planners and researchers

**Medical Tourism** John Connell, 2011 Although it may seem a recent phenomenon tourism has long been associated with improved health and spa tourism has its roots in antiquity With the emergence of activities such as bushwalking and meditation and with increasing numbers of people travelling abroad for medical or cosmetic procedures medical tourism is now a growing niche in the tourism market This book looks at the background and rise of health tourism new emerging facets of the sector and examines how health related travel fits into a tourism framework It is suitable for undergraduate and postgraduate students

**Health and Wellness Tourism** Patricia Erfurt-Cooper, Malcolm Cooper, 2009-07-27 Geothermal springs constitute a major tourism resource providing spectacular settings recreation facilities a recognised value in treatments beneficial for health and wellness a sense of heritage and adventure and links with the natural environment Health and wellness tourism accounts for a significant proportion of the world's tourism consumption with components ranging from hot spring bathing for leisure and recreation through mineral water use in health treatments under the supervision of highly specialised medical professionals

to water treatments in the wellness and beauty therapy sector and the use of mineral water for drinking purposes This makes it an economically and socially important area of tourism demanding in depth analysis This book explores health and wellness tourism from a range of perspectives including usage heritage management technology environmental and cultural features and marketing

Who Saved the Parthenon? William St Clair,2022-05-26 In this magisterial book William St Clair unfolds the history of the Parthenon throughout the modern era to the present day with special emphasis on the period before during and after the Greek War of Independence of 1821 32 Focusing particularly on the question of who saved the Parthenon from destruction during this conflict with the help of documents that shed a new light on this enduring question he explores the contributions made by the Philhellenes Ancient Athenians Ottomans and the Great Powers Marshalling a vast amount of primary evidence much of it previously unexamined and published here for the first time St Clair rigorously explores the multiple ways in which the Parthenon has served both as a cultural icon onto which meanings are projected and as a symbol of particular national religious and racial identities as well as how it illuminates larger questions about the uses of built heritage This book has a companion volume with the classical Parthenon as its main focus which offers new ways of recovering the monument and its meanings in ancient times St Clair builds on the success of his classic text *The Reading Nation in the Romantic Period* to present this rich and authoritative account of the Parthenon s presentation and reception throughout history With weighty implications for the present life of the Parthenon it is itself a monumental contribution to accounts of the Greek Revolution to classical studies and to intellectual history
