The Very Secret Sex Lives of Medieval Women Rosalie Gilbert, 2020-10-27 A wickedly entertaining informative and thought provoking look at romance courtship and other intimacies behind closed

Medieval doors Dr Markus Kerr PhD MDR Were medieval women slaves to their husband s desires jealously secured in a chastity belt in his absence Was sex a duty or could it be a pleasure Did a woman have a say about her own female sexuality body and who did or didn t get up close and personal with it No And yes It s complicated The intimate lives of medieval women were as complex as for modern women They loved and lost hoped and schemed were lifted up and cast down They were hopeful and lovelorn Some had it forced upon them others made aphrodisiacs and dressed for success Some were chaste and some were lusty Having sex was complicated Not having sex was even more so Inside The Very Secret Sex Lives of Medieval Women a fascinating book about life during medieval times you will discover tantalizing true stories about medieval women and a myriad of historical facts Learn about The true experiences of women from all classes including women who made history The dos and don ts in the bedroom Sexy foods and how to have them All you need to know for your wedding night and well as insider medical advice How to get pregnant and how not to and more Quite compelling and hilariously funny I have been chuckling out loud and my husband says he thinks he ought to read it if it s such a tonic God forbid Susanna Newstead author of the Savernake Novels **The Mystery of the Quantum World** Euan J.

Squires,1994-10-01 Quantum mechanics stands as one of the most remarkable achievements of the 20th century providing startling insight into the nature of matter and a spectacularly successful predictive theory However while the predictive ability of the quantum theory has been rigorously tested time and again so that it now satisfies any criterion of reliability as a tool of scientific inquiry fundamental difficulties remain with its interpretation The Mystery of the Quantum World Second Edition introduces the philosophical issues raised by the success of the quantum theory and lucidly outlines the different points of view adopted by various physicists striving to understand the meaning underlying the theories used every day The author encourages you to see how the most successful of physical theories is relevant to issues outside physics Revised and expanded this edition includes a new chapter that introduces the most important of the recent developments in quantum theory The authoritative selection of topics ensures that readers already familiar with the first edition of the book will extend their knowledge of quantum theory and those with no previous knowledge acquire an insight into this fascinating world
