Robert Heinlein's Expanded Universe Robert A.

Heinlein, 2015-03-18 The single most important and valuable Heinlein book ever published Spider Robinson Robert A. Heinlein has been hailed as one of the most forward thinking science fiction writers of all time and Expanded Universe presented in two volumes offers the perfect collection of his works to provide readers with true insights into his uniquely creative mind Heinlein personally selected each story or essay for inclusion in this collection which is ordered chronologically starting with his first sale in 1939 of Life Line to Astounding for seventy dollars This remarkable collection highlights the development of Heinlein's writing style and his philosophy on life throughout his career More importantly this collection is as close to an autobiography as anything Heinlein wrote during his life Heinlein was an extremely private person who never wrote much about himself In this exclusive collection he offers forewords to most of his stories and essays and an occasional afterword giving readers a rare glimpse into the inner mind of the master Expanded Universe is a must have for any Heinlein enthusiast and any fan of science fiction From Life Line 1939 one of his earliest works to a tale of adventure on the moon Nothing Ever Happens On the Moon this collection demonstrates the formidable talent and irascible perceptions of one of the genre's most outspoken writers Library Journal This is the book I've always wanted from Heinlein John Bruni GoodReads
