

Tribute to Albert Hinds by Eric Broadway
Speech delivered at the Albert E. Hinds Gates Dedication
Princeton, NJ
September 29, 2013

Eric Broadway is a Princeton resident and graduate of the Lawrenceville School, University of Delaware and Vermont Law School. He is married to Beverly Broadway and has two children, Eric Cameron and Amber. His parents, John and Florence Broadway, were raised in Princeton and both graduated from Princeton High School. Many of Eric's family members and friends are current Princeton residents.

Good afternoon. This is a wonderful day for my dear friend Albert Edward Hinds. I think about Mr. Hinds every day when I return home from my office and pass his home. I know he is watching this fine celebration of his life and legacy to Princeton.

Mr. Hinds was a principled man, who believed in his community and supported many families as they sought to raise their children. He lived to be 104 years old, which today and potentially any day is a tremendous accomplishment. Mr. Hinds lived through the 1929 Depression, World Wars I and II, the Civil Rights era of the 1960s and 1970s, the Vietnam War, the Iraq and Iran wars, and the dotcom bubble of the 1990s. He earned a bachelor's degree in Physical Education from Talladega College, in Talladega, Alabama in the 1930s. He taught and coached for many years in Georgia, Alabama, Pennsylvania and New Jersey and remained an active member of the Princeton Community until his last days, holding positions on the Borough Zoning Board, YMCA and many other civic organizations.

Mr. Hinds was one of my first clients, when I chose to open my law firm in the early 1990s, and he engaged my construction company to renovate his house on John Street. I am grateful and blessed to have had the opportunity to spend several years with Mr. Hinds, until the day he passed. I recall the day before he passed, when I visited him in his home with my son, Eric Cameron, whom he adored and mentored. Although Mr. Hinds' physical presence had deteriorated, his mental capacity remained strong and his speech was clear. That day, he presented my son with a gift, an old-fashioned coin counting machine (show it to the audience),
