Pathologist Willis Kendall painstakingly diagnoses disease through his microscope making crucial calls about the treatment of patients he never meets But one day he looks up from the lens to face ruthless competition from a local university based health care system and when he turns to his family and its sensible and safe suburban existence his life begins to unravel before the causes can even be identified Will grapples with the torments of his demanding specialty and his splintering life Seeking to learn where his profession can take him he attends a medical specialty convention and meets the charming but enigmatic Jackie Todd Will s growing friendship with Jackie helps him see more options opening up before him Turning the microscope upon himself Will reluctantly comes to some life altering decisions and the reckoning begins The Glass Doctor provides a view of life through the lens of hospital medicine and highlights individual journeys of disillusionment to upheaval to renewal      **The Reform Advocate** ,1922      *Time Briton* Hadden, Henry R.
