Congress,1945      **Confederate Veteran** ,1988      *The Sample Case* ,1923      **Fathers Who Fail** Melvin R. Lansky,2013-05-13 Despite the burgeoning literature on the role of the father in child development and on fathering as a developmental stage surprisingly little has been written about the psychiatrically impaired father In *Fathers Who Fail* Melvin Lansky remedies this glaring lacuna in the literature Drawing on contemporary psychoanalysis family systems theory and the sociology of conflict he delineates the spectrum of psychopathological predicaments that undermine the ability of the father to be a father Out of his sensitive integration of the intrapsychic and intrafamilial contexts of paternal failure emerges a richly textured portrait of psychiatrically impaired fathers of fathers who fail Lansky s probing discussion of narcissistic equilibrium in the family system enables him to chart the natural history common to the symptomatic impulsive actions of impaired fathers He then considers specific manifestations of paternal dysfunction within this shared framework of heightened familial conflict and the failure of intrafamilial defenses to common shame Domestic violence suicide the intensification of trauma posttraumatic nightmares catastrophic reactions in organic brain syndrome and the murder of a spouse are among the major symptoms that he explores In each instance Lansky carefully sketches the progression of vulnerability and turbulence from the father s personality to the family system and thence to the symptomatic eruption in question In his concluding chapter he comments tellingly on the unconscious obstacles on the part of both patients and therapists to treating impaired fathers The obstacles cut across different clinical modalities underscoring the need for multimodal responses to fathers who fail      **Congressional Record** United States. Congress,2004 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789 1824 the *Register of Debates in Congress* 1824 1837 and the *Congressional Globe* 1833 1873      *The Nature of Grief* John Archer,2003-09-02 In this study on the evolution of grief John Archer shows that grief is a natural reaction to losses of many sorts and he proves this by bringing together material from evolutionary psychology ethology and experimental psychology      *Homecoming Veterans in Literature and Culture* Niels Boender,2025-03-28 From Homer s *Odyssey* itself the return of the veteran to his or her home has been a central trope of the literary canon Huge bureaucracies and a panoply of global organisations are deeply concerned with facilitating a painless return to stable homes This book presents homecoming as an analytical lens to better understand veterans return and reintegration after conflict Home is held to be multidimensional a concept encapsulating the physical and the social particularly disrupted by experiences of violence Homecoming is therefore not a mere moment but a process that can unfold over years and decades as old and new bonds of familiarity are forged Struggles over the home and

homecoming are moreover endlessly political bound up in questions of identity and the nation Looking across times places and disciplines the collection centres both historical and representational approaches to veterancy **The Billboard** ,1926

**Demobilization of the Armed Forces** United States. Congress. Senate. Committee on Military Affairs,1945 New Testament Rhetoric, Second Edition Ben Witherington III,Jason A. Myers,2022-09-28 Witherington and Myers provide a much needed introduction to the ancient art of persuasion and its use within the various New Testament documents More than just an exploration of the use of the ancient rhetorical tools and devices this guide introduces the reader to all that went into convincing an audience about some subject Witherington and Myers make the case that rhetorical criticism is a more fruitful approach to the NT epistles than the oft employed approaches of literary and discourse criticism Familiarity with the art of rhetoric also helps the reader explore non epistolary genres In addition to the general introduction to rhetorical criticism the book guides readers through the many and varied uses of rhetoric in most NT documents not only telling readers about rhetoric in the NT but showing them the way it was employed This brief guide book is intended to provide the reader with an entrance into understanding the rhetorical analysis of various parts of the NT the value such studies bring for understanding what is being proclaimed and defended in the NT and how Christ is presented in ways that would be considered persuasive in antiquity from the introduction **Los Angeles Saturday Night** ,1929 Meyer Brothers Druggist ,1912 **Soldiers to Citizens** Suzanne Mettler,2007-09-10 A hell of a gift an opportunity Magnanimous One of the greatest advantages I ever experienced These are the voices of World War II veterans lavishing praise on their beloved G I Bill Transcending boundaries of class and race the Bill enabled a sizable portion of the hallowed greatest generation to gain vocational training or to attend college or graduate school at government expense Its beneficiaries had grown up during the Depression living in tenements and cold water flats on farms and in small towns across the nation most of them expecting that they would one day work in the same kinds of jobs as their fathers Then the G I Bill came along and changed everything They experienced its provisions as inclusive fair and tremendously effective in providing the deeply held American value of social opportunity the chance to improve one s circumstances They become chefs and custom builders teachers and electricians engineers and college professors But the G I Bill fueled not only the development of the middle class it also revitalized American democracy Americans who came of age during World War II joined fraternal groups and neighborhood and community organizations and took part in politics at rates that made the postwar era the twentieth century s civic golden age Drawing on extensive interviews and surveys with hundreds of members of the greatest generation Suzanne Mettler finds that by treating veterans as first class citizens and in granting advanced education the Bill inspired them to become the active participants thanks to whom memberships in civic organizations soared and levels of political activity peaked Mettler probes how this landmark law produced such a civic renaissance Most fundamentally she discovers it communicated to veterans that government was for and about people like them and they responded in turn In our current age of rising inequality and declining civic engagement
