

The background is a dark grey field filled with various mathematical formulas in a light grey, semi-transparent font. These include trigonometric identities like $\sin^2 \alpha + \cos^2 \alpha = 1$, $\sin 2\alpha = 2 \sin \alpha \cos \alpha$, and $\cos 2\alpha = \cos^2 \alpha - \sin^2 \alpha$, as well as logarithmic rules like $\log_a \frac{b}{c} = \log_a b - \log_a c$ and the quotient rule for derivatives $\left(\frac{f(x)}{g(x)}\right)' = \frac{f'(x) \cdot g(x) - f(x) \cdot g'(x)}{g^2(x)}$. A large, stylized white outline of a book is centered on the page. In the top right corner, there is a colorful triangle with yellow, blue, and red sections.

for great instructional coaching this book offers An in depth guide to the Impact Cycle ICG s research based and field tested model for coaching teachers through issues that matter most to them Detailed guidance on how to create a playbook of instructional strategies to share with collaborating teachers and how to model those strategies under different conditions Practical advice on preparing for and engaging in substantive reflective and teacher centered coaching conversations Best practices for gathering analyzing and responding to data for improved teaching and learning and Real life anecdotes and testimonies from educators and coaches who have reaped the benefits of the Impact Cycle in a diverse array of schools In addition each chapter of the book contains a learning map to help orient you and a list of valuable additional resources to complement the text Whether you re new to coaching or well versed in the practice The Definitive Guide to Instructional Coaching will no doubt prove a cornerstone of your coaching library for years to come **School Music** ,1928

Philanthropy in Children's Periodicals, 1840-1930 Kristine Moruzi, Drawing on a wealth of material from children s periodicals from the Victorian era to the early twentieth century Kristine Moruzi examines how the concept of the charitable child has been defined through the press Charitable ideals became increasingly prevalent at a time of burgeoning social inequities and cultural change shaping expectations that children were capable of and responsible for charitable giving While the child as the object of charity has received considerable attention less focus has been paid to how and why children have been encouraged to help others Yet the ways in which children were positioned to see themselves as people who could and should help in whatever forms that assistance might take are crucial to understanding how children and childhood were conceptualised in the past This book uses children s print culture to examine the relationship between children and charitable institutions in the nineteenth and early twentieth centuries and to foreground children s active roles **AB**
