The Martian's Regress J. O. Morgan, 2020-03-05 SHORTLISTED FOR THE TS ELIOT PRIZE 2020 From the winner of the Costa Poetry Award A lone martian returns to Earth He leaves behind him a hardened survivalist culture its muddled myths and songs its continued abuse of the environment that sustains it During this journey back to the now broken and long abandoned mother planet the martian begins to consider his own uncertain origins and his own future Cut off from his people the martian's story is that of the individual his duty at odds with his desire the race of which he s still a part playing always on his mind as well as the race that once was This is the story of what life becomes when stripped of all that makes it worth living of what humans become when they lose their humanity The Martian's Regress is a brilliant provocative often darkly comic work that explores what a fragile environment eventually makes of those who persist in tampering with it Journey Rabbi Terry Bookman, 2004-12 The journey of the spirit is not marked by a smooth four lane highway Rather like the path through a Zen garden it is curved with many switchbacks and lots of turns While there may be many beginnings there really is no destination Its goal is self awareness enlightenment and inner peace It is a journey we take with our lives In his latest book Rabbi Terry Bookman explores the many ups and downs associated with the life of the spirit Drawing on the ancient traditions of Judaism A Soul's Journey serves as a kind of roadmap for the path offering practical insights and modern applications along the way Rabbi Bookman has been described as a wise and compassionate teacher who combines knowledge from a wide variety of disciplines and religious faiths to challenge and encourage his students and readers He is the author of two books The Busy Soul and God 101 and the co author of two CDs of contemporary Jewish music World Didn'T Suck We'D All Fall Off Nicholas Thomas, 2018-07-25 This is a deeply personal life story and situations that have made me the unique individual I am in life These short poems touch on many parts of life that are disturbing and are hard to deal with The only way to express them was to write them down in these poems and hope people would one day read them and experience emotional change for the betterment of their lives The Seven Deadlies Greg Stolze, 2025-04-10 Love the Sin Hate the Sinner Gaviel a smooth talking demon who made his way out of hell finds himself playing the part of Noah Wallace son and heir apparent to a televangelist mission with bulging coffers A perfect cover for a devil on the make Not everything can go according to plan however The mad demon Avitu is looking to recruit Gaviel while the avenging angel Usiel just wants to send him back to Hell And all the while the spirit of Noah Wallace is clamoring for its body back and getting just a little stronger every day Even a devil eventually pays his dues **Soul's Spiritual Travails** Aalok,2023-07-25 This book attempts in making in roads in to Spirituality for the usage of a common man in personal and professional lives Initially the book introduces Terminologies needed to grasp the Concept of Spirituality The book takes us on the journey of Decision Making a critical aspect of human lives Our actions are dependent on the decisions that we make We know that actions create Karmas Actions are preceded by Thoughts and have two back stage operators Emotions and Intent Karmas are
