

## 4.5 Your holiday in Newquay

In this unit you'll find out about Newquay, in Cornwall – with the help of an OS map.

### Meet Newquay

The OS map on the next page shows Newquay, on the coast of Cornwall. 400 years ago, it was just a small fishing village. Now it's a seaside resort – and a surfers' paradise.

Newquay has about 20 000 full-time residents – and about five times as many people in the summer. You are about to join them for a holiday.

### Did you know?

- So far the highest wave ever surfed was 24.3 m ...
- ... off the coast of Portugal.

### Your turn

- 1 Look at the OS map and photos. What do they tell you about the coast at Newquay? Is it flat? Smooth? Any beaches? See if you can write four sentences about it.
- 2 Find Towan Head on the map. (It's in square T962.)
  - a What is Head short for?
  - b How was Towan Head formed?
  - c Find two other examples of this landform on the map. Give their names.
  - d What can you say about the rock in those places?
- 3 Look at the tiny island on the left in photo B. On the map, it's at 811618, near the aquarium. Do you think the island was always like this? Explain.
- 4 Look at photo C. It shows some of Newquay's beaches. See which ones you can name, with help from the map.
- 5 Now, holiday time. You are off to Newquay on a five-day camping holiday, in August, with your friends.

- a They let you pick a camp site, from the map. Which one will you choose? Give a 6-figure grid reference for it, and say why you chose it.
- b The map gives plenty of clues about things to see and do, in Newquay. List as many as you can. Then tick the ones that appeal to you.
- c You will go there by train. Where is the station? Give a 6-figure grid reference for it.
- d From the station, you'll go straight to the tourist information office, to find out about surfing lessons.
  - i About how far is the office from the station?
  - ii In which direction will you walk?

- 6 You book some surfing lessons. They will be at Lusty Glaze beach. (See photo A.)
  - a You will walk to lessons from your camp site. See if you can draw a sketch map of your route. Mark in any landmarks, and say how long the route is.
  - b Lessons will start at 9 in the morning. By what time do you think you'll need to leave the camp site?
- 7 You see lots of other surfers, from the UK and many other countries. Some flew in to Newquay Cornwall airport, which was once an RAF base.
  - a Find the airport on the map. Give a grid reference for one square of it.
  - b It is Cornwall's main airport. It hopes to attract more and more flights, and to handle at least 1 million passengers a year, by 2026. (They won't all be staying in Newquay!)
    - i How might more flights benefit Newquay? List as many benefits as you can.
    - ii What problems might they cause?
  - c A change is sustainable if it continues to benefit us economically and socially, into the future, without harming the environment. (Glossary?)
    - i Do you think an increase in flights into Newquay Cornwall airport is sustainable? Give your reasons.
    - ii Imagine you are in charge of Newquay. Will you give permission for the extra flights?
- 8 Home again. And now you will write a blog about Newquay, for your web page. Say where it is, and what it's like, and what you did. Make it fun! What photos will you add to your page? And what about a map?
