R. Fehrenbach, 2014-04-01 A major turning point of WWII The incredible true story of Allied forces who held a strip of Italian beach against Nazi bombardment The Battle of Anzio was among the most bloody of the World War II conflicts T R Fehrenbach's accurate account stunningly depicts the reality of the Allied forces fight for survival on an Italian beach as they stormed what Winston Churchill called the soft underbelly of the Axis powers In one of the turning points of the war the allies clung to a narrow strip of sand while German planes swooped in from above and artillery shells and mortar fire pounded them on the ground This is a true and dramatic account of the battle from the perspective of a soldier and military historian told with pride compassion and spirit T R Fehrenbach's account of war needs no embellishing and brings you into the thick of the action *A Small Town Kind of Justice* J. A. must be the truth Arthur Conan Doyle On the banks of the river Thames a massive new building is being completed A stunning creation of glass and concrete that will be a new landmark on London s skyline And people are dying because of it Dozens of mysterious unexplained accidents have claimed the lives of workmen during the construction and journalist Jessica Anderson is convinced that the owner of the building a billionaire Russian businessman knows more about the accidents than he is revealing Enlisting the help of a former colleague Jess tries to investigate the shadowy industrialist but finds that far harder than she imagined Protected by a private security force and cocooned by his entourage this powerful man proves to be as elusive as anyone she has ever known He values his privacy and seems willing to go to any ends to protect it But what is he hiding As she delves into his background she discovers that one of his ancestors lived in London during the 1930 s on the same site where the Crystal Tower was constructed and death and destruction surrounded that ancestor too Is there a link between these two men Jess is convinced there is and when a series of horrific attacks and murders take place perpetrated against men who want to stop the Russians next building project she finds herself plunged into a maelstrom of fear and events that threaten not just her life but her very sanity Something from the darkest reaches of myth and superstition has been unleashed upon a modern world and it seems no one can stop it

worse than the usual monsters infiltrating Apex And it may be too late to stop them In Elite Joy knows she ll be facing more dangerous Othersiders than ever before as a new member of the Elite Hunter unit But if anyone is up to the challenge it s her Then the rules change Monsters unlike any Joy s ever seen or even heard of are breaking through Apex City s barriers and the Hunters are scrambling to find new ways to fight them all the while hiding the true danger Apex faces from the Cits who are ignorant of the severity of the Othersiders attacks The leaders of Apex must come together to protect the city but tensions have never been higher between the Hunters and the powerful PsiCorps with each group competing to be the primary protector of the city The conflict escalates even further when Joy starts discovering bodies of Psimons while patrolling the city sewers on a special assignment from her uncle who commands the Hunters A storm is approaching Apex City and unless Joy and her fellow Hunters put up the fight of their lives it might just sweep them all away In Apex the riveting conclusion to the Hunter trilogy Joy must risk everything to end a brutal war before she loses all she s ever loved The corrupt and powerful PsiCorps is determined to usurp the Hunters as chief defenders of Apex City and Joy is squarely in their crosshairs Unused to playing political games she has few people she can truly trust not even Josh her first friend in Apex City who broke up with her when it became too dangerous for a Psimon to be dating a Hunter Then Josh comes to Joy for help He fears that Abigail Drift the head of PsiCorps will use him in her experiments designed to empower PsiCorps and render Hunters superfluous a scheme that s already killed dozens of Psimons Joy manages to smuggle Josh to safety but he can t evade Drift forever As Joy faces ever more powerful Othersiders she is helped by the most surprising ally imaginable the same Folk Mage she once met in battle But can Joy trust the most cunning and treacherous of all Othersiders

The Making of Billy Bishop Brereton Greenhous,2002-05-01 It s a war story that is told every time the career of Billy Bishop is discussed On June 2 1917 the young pilot single handedly took out a German airfield in an early morning raid at the height of the Great War For this he was awarded the Victoria Cross and a place in Canadian history And yet the attack never happened In this explosive new biography Brereton Greehous exposes the myth of Billy Bishop While his bravery never comes into question Bishop was as courageous as any of the men who risked their lives in those early warplanes his credibility as a storyteller does From exaggerations and half truths to flat out lies stories of Bishop s legendary exploits contain as much fiction as they do fact Greenhous reveals many startling truths he presents evidence that some of the medals Bishop wore late in his career were unearned uncovers a number of examples of Bishop embellishing or inventing combat stories and most significantly shows that the only account of the ace s raid on the German airfield came from Bishop himself Even official German records of casualties fail to corroborate the Canadian s claims *The Making of Billy Bishop* is a book certain to stir up controversy Twenty years ago a documentary film questioning Bishop s credentials as a hero was considered so blasphemous that a senate investigation was launched in an attempt to restore the pilot s name Now Greenhous s research vindicates the claims of the filmmakers and re ignites an argument once thought settled
