(Common Core State Standards for Language Arts: Speaking and Listening 4.SL.4)

Learning Content	Skills to be addressed through students telling a story given a story starter and a picture includes the following: • Setting: states when and where the story occurs • Characters: identifies the characters and includes dialogue • Story Elements: indicated a problem/conflict/event, actions and events, temporal /causal relationships between actions and events, consequence/resolution • Story Cohesion: story makes sense and story is complete, creative, and well organized.
Instructional Interval	2013-2014 school year
Evidence of Growth	Student growth will be measured by using a narration rubric created by the SLP on a quarterly basis. Pre and post data will be gathered at the start of the school year and end of the school year.
Baseline	SLP will use a story narration rubric to measure the students' story -telling skills by obtaining a point value on a rubric at the beginning of the school year. (Attach class roster to share students' scores on Beginning-of-the-Year Assignment/Performance Task/Assessment.)
Rationale for Student Learning Objective	Difficulties with oral story narration impacts student's ability to take part in rich, structured conversations as well as to write well developed narratives using effective technique, descriptive details, and clear event sequences.
