The California Regulatory Law Reporter, 1995 *The California Psychologist*, 1998 **Fostering Social Work Gerontology Competence** Catherine J. Tompkins, Anita L. Rosen, 2013-12-19 Inspire the next generation of gerontological social workers The growing number of people over the age of 65 in the United States has increased the demand for social workers who are trained to work with the elderly a demand that is in danger of not being met Fostering Social Work Gerontology Competence presents innovative techniques and strategies to help educators infuse aging content into their graduate and undergraduate curriculums in an effort to produce a new generation of social work practitioners who are up to the task of working with an older population Recent surveys show that there has been a decline in the number of aging specialties and courses offered by schools of social work Fostering Social Work Gerontology Competence offers a renewed focus on the promotion of gerontological social work education presenting papers that grew out of the first National Gerontological Social Work Conference NGSWC held in 2003 This unique book is invaluable to anyone who educates future social workers leads staff training sessions and or teaches continuing education courses on aging Leading gerontologists examine teaching research community collaboration and social work competencies while focusing on special populations and issues including end of life care elder abuse grief counseling cultural diversity cultural competence and the effects of spirituality and social support on the well being of the elderly Fostering Social Work Gerontology Competence examines curricular and organizational change developing intergenerational projects involving older persons in the educational process uniting field practice with theory strategies to promote student interest identifying geriatric competencies intergenerational service learning developing an aging prepared community emerging trends in aging and health care end of

life care and death education environmental issues affecting elder abuse victims mental health services for older persons in rural communities kinship care and much more **Fostering Social Work Gerontology Competence** is a vital resource for social work educators and practitioners gerontology educators and practitioners and students

Partner Stalking Robert Walker, MSW, LCSW, TK Logan, PhD, Jennifer Cole, MSW, Lisa Shannon, MSW, 2006-05-19 It is estimated that a quarter of all women will be stalked in their lifetime Stalkers put their victims in danger of losing their jobs their support system even their lives and subject them to dangerously high levels of fear and stress This book examines the multiple aspects of partner stalking from the victim's perspective Female survivors share their personal stories of partner stalking and the authors provide an extensive look at the latest stalking research providing readers with the new most relevant implications for practice and future research

Play Therapy Treatment Planning with Children and Families Lynn Louise Wonders, Mary L. Affee, 2024-03-29 Play Therapy Treatment Planning with Children and Families is a comprehensive guide that provides an integrative and prescriptive approach to creating customized treatment plans It's an excellent textbook for graduate programs in social work counseling and family therapy and an invaluable guide for practicing clinicians in all settings After exploring and explaining the many modalities for treating children and adolescents this book provides sample treatment plans using a variety of case vignettes Chapters also take readers through a road map for case conceptualization meeting with caregivers problem identification goal development diagnosis determination determination of interventions and termination and much more

Child Abuse and Neglect Marilyn Strachan Peterson, Michael Durfee, Kevin Coulter, 2003 This book written for multidisciplinary child protection teams and presents guidelines for identification assessment and case management on various forms of child maltreatment

Oxford Textbook of Palliative Social Work Terry Altilio MSW, ACSW, LCSW, Shirley Otis-Green MSW, ACSW, LCSW, OSW, 2011-03-23 The Oxford Textbook of Palliative Social Work is a comprehensive evidence informed text that addresses the needs of professionals who provide interdisciplinary culturally sensitive biopsychosocial spiritual care for patients and families living with life threatening illness Social workers from diverse settings will benefit from its international scope and wealth of patient and family narratives Unique to this scholarly text is its emphasis on the collaborative nature inherent in palliative care This definitive resource is edited by two leading palliative social work pioneers who bring together an array of international authors who provide clinicians researchers policy makers and academics with a broad range of content to enrich the guidelines recommended by the National Consensus Project for Quality Palliative Care

Psychological Effects of Catastrophic Disasters Joseph Rose, Henry I Spitz, Leon Schein, Gary Burlingame, Philip R. Muskin, 2018-06-15 A thorough user friendly guide of basic knowledge and group interventions for psychological trauma from terrorist attacks and other catastrophic disasters There is relatively little literature on the psychological trauma caused by catastrophic disasters including terrorist attacks and the impending threats of terrorism *Psychological Effects of Catastrophic Disasters Group Approaches to Treatment* fills that gap by

comprehensively discussing ways to minimize the psychological damage resulting from catastrophic disasters as well as the trauma developed from the threat of future terrorist attacks. The book provides thorough presentations of almost manualized group methods for the prevention and treatment of the acute and longer term psychological effects for children, adolescents, and adults. Appropriate treatment immediately after a catastrophe can diminish harmful psychological effects, enhance an individual's quality of life, decrease psychosomatic illnesses, and the exacerbation of chronic medical conditions, increase the effective utilization of medical facilities, and decrease medical expenses. In this book, internationally renowned authorities provide practical expert suggestions and helpful examples to illustrate the interventions and provide a quick reference for professionals facing the aftermath of prospective terrorist disasters and other catastrophic events.

Psychological Effects of Catastrophic Disasters: Group Approaches to Treatment is divided into four sections. The first section provides an overview of the book; the second discusses the foundations and broad issues which potentially affect the outcome of group treatment; the third section presents group models which address the particular needs of children, adolescents, parents, emergency service personnel, and mental health practitioners; and the fourth part considers future directions of treatment. Designed to be used as a comprehensive single source for professionals working with victims of trauma caused by terrorism or catastrophic disaster, this book can be read and used in its entirety or specific chapters detailing treatments can be chosen and used independently as needed. Extensive references allow opportunities for further research.

Psychological Effects of Catastrophic Disasters: Group Approaches to Treatment presents unique first person accounts of September 11th and examines the neurobiological effects of a traumatic disaster, the effective use of psychotropic medication, the implications of living with ongoing terrorist threats, a new framework for preparedness and response to disasters and trauma for children and families, cultural, religious, and ethnic differences related to the prevention and treatment of psychological sequelae, the diagnosis and treatment of traumatic grief, retraumatization, distressing reminders, and their effects on post-traumatic adjustment, the knowledge trauma therapists need to integrate small group principles, the diagnosis and group treatment of acute and long term effects with adults and children, the use of spiritual principles after a terrorist disaster or catastrophic event, nine types of groups appropriate for specific populations.

Psychological Effects of Catastrophic Disasters: Group Approaches to Treatment is a timely comprehensive reference for social workers, psychologists, psychiatrists, health professionals, mental health professionals, educators, and students. The royalties from this book shall be donated to organizations which provide direct services to those who continue to be affected by the events of September 11th, 2001, and Hurricane Katrina, August 29th, 2005.

Couples of Mixed HIV Status Nancy L. Beckerman, 2005. Previous books on this subject mostly written in the days when HIV/AIDS was considered a fatal rather than a chronic disease, focused on end of life issues. This volume however addresses the unique emotional challenges facing couples of mixed HIV status today. It provides examples of how to apply emotionally focused couple therapy to help them work through issues including disclosure, the fear of HIV transmission, shifts

in emotional intimacy family planning betrayal mistrust and uncertainty The book is generously illustrated with tables that make complex research results easy to access and understand **Therapeutic Intervention** Uri Rueveni, Ross V.

Speck, Joan L. Speck, 1982 *Abstracts ... Annual Meeting of the American Public Health Association and Related Organizations* American Public Health Association. Annual Meeting, 1991 **Indianapolis Monthly**, 2003-03 Indianapolis Monthly is the Circle City's essential chronicle and guide an indispensable authority on what's new and what's news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy's cultural landscape **Social Work Practice** John Poulin, Selina

Matis, 2019-11-15 This primary social work practice text built around the nine core 2015 CSWE competencies is the only book available that provides students with the benefits of a fully integrated competency based approach Social Work Practice A Competency Based Approach immediately immerses students in the competencies required for social work practice at the micro mezzo and macro levels Designed for use in both upper level BSW and foundation level MSW social work practice courses the book is uniquely structured to deliver the knowledge and skills students need to develop mastery of the professional social work competencies Chapters provide a comprehensive overview of the theories concepts and practice components related to each competency Engaging vignettes chapter objectives that outline key concepts abundant case examples critical thinking questions and a detailed case summary with discussion questions in each chapter help students deepen their understanding of practical applications of the nine core competencies Each chapter uses the same case to perfectly illustrate the complexity of social work practice and the interconnections among the professional competencies A robust supplementary instructor package includes PowerPoints competency based class assignments with grading rubrics and sample syllabi Print version of book includes free searchable digital access to entire contents Key Features Uniquely organized with a fully integrated competency based approach Devotes one or more chapters to each of the nine CSWE professional competencies Delivers abundant case studies that facilitate in depth understanding and integration of competencies Provides case vignettes critical thinking and discussion questions and chapter summaries Includes supplementary instructor resources such as PowerPoints group discussion questions and competency based written assignments with grading rubrics Offers sample syllabi for two separate one semester courses and a seven week online course Includes Student Resources featuring online forms templates exercises plans and more to provide students with ample practice opportunities
