

Anna Albareda Coca

My name is Anna Albareda Coca, you may think my name is so long. Well in reality it's just Anna, but Albareda is my father's second name and it means a kind of tree in Catalan, and Coca is my mother's second name, it means a traditional cake in Catalonia. It is not, that all the names in Spain mean something: it is just that my two names become to mean something. My age is 10 years old, I was born on 10th of July in 2004, in Manresa a small town in the north of Spain.

There are a lot of things I like and that I don't like. I like to have fun with my friends, I like to play saxophone and guitar, I love soccer and Basketball, but what I really love is jokes. Sometimes I tell jokes but sometimes I do jokes. The things I don't like are peas...(I really hate peas). Another thing I don't like is pumpkin soup, for me it tastes horrible. So far I have told you about things I don't like about food, now I am going to tell you one of the biggest things I hate in this world:.....to be BORED!!!! Just saying this word makes me really sick. Like I told you before there are a lot of things I like and some things I really don't like.

Well by now you might know some of my personality but I am going to tell you some more, I think some good points of my personality are that I am musical, very joking, sometimes brave, friendly when it is time to meet friends and quite sporty since I like soccer, basketball, long jump. I am also funny when it is time to do my jokes. I haven't told you of my bad points yet...well some of my bad points are that I am a little bit forgetful, well let's say I am quite forgetful. I am disorganized, I get angry easy sometimes....Well each person has their own personality.

Throughout the years I have had some obstacles, some of them I still have. As I told you before I am quite forgetful, that has been an obstacle and it is still an obstacle, I lose shoes, notebooks, hats...almost all kinds of things. Also one of the biggest obstacle I had is moving to Vietnam. I had to leave all my friends and most of my family like my grandmother and my grandfather, my cousins, my friends...and lots more. I've had obstacles like every single person does too.

Well you might be thinking why I moved to Vietnam if I liked Spain that much. Well it kind of was for two reasons: the first reason was because my father's job got

Repko, Rick Szostak, Michelle Phillips Buchberger, 2025-01-03 This book provides instructors and students in entry level interdisciplinary courses and thematic programs with a comprehensive introduction to interdisciplinary studies Authors Allen F Repko Rick

Szostak and Michelle Phillips Buchberger introduce students to the cognitive process that interdisciplinarians use to approach complex problems and eventually arrive at more comprehensive understandings of them. Students learn how to think like interdisciplinarians, understand interdisciplinary processes, and assess the quality of their own work. Changes to the Fourth Edition include revised content on epistemology and methods, more on integrative strategies, reordering of some chapters, new assignment ideas, and new examples which include student examples and insights from the latest scholarly works.

One Man's Search for God Rex L. Sample, 2019-09-06 How does a Christian whose faith has been shaken by a highly secularized world find his way back to faith? This book traces the autobiographical journey of one man's search for God and then attempts to help other Christians who have lost their way find their way back to the Father.

The Co-authored Self Kate C. McLean, 2016 In *The Co-authored Self*, Kate McLean addresses the question of how an individual comes to develop an identity by focusing on the process of interpersonal storytelling, particularly through the stories people hear, co-tell, and share of, and with their families. McLean details how identity development is a collaborative construction between the individual and his or her narrative ecology.

Applied Linguistics Li Wei, 2013-12-04 In this complete survey of the theories, methods, and key findings within applied linguistics, students are introduced to core research questions and the various approaches to tackling these. Provides a comprehensive introduction to this interdisciplinary field of research and practice, dealing with practical issues of language and communication. Takes a problem-solving approach, introducing students to key research questions and guiding them through the various ways of tackling these. Features additional study aids throughout, including chapter outlines, learning objectives, key terms, research questions and answers, study questions, and recommended further readings. Enables students to identify everyday language and communication issues and to draw on their own personal experiences. Edited by a leading figure in the field, heading up an experienced and interdisciplinary team of contributors from the renowned department of applied linguistics at Birkbeck College, University of London, resulting in a unique combination of knowledge, skills, and strength from scholars who teach and research together.
