

SPECIAL COUNCIL REPORT

Brothers & Sisters of UAW 1178,

On June 14th, 2024 there was a special council meeting held in Detroit to explain and discuss the issues going on within the UAW leadership.

President Shawn Fain opened the meeting at 9am by saying, real leaders must make hard choices and removing Vice President Boyer from the Stellantis dept. was a hard choice. He went on to say that "I'm not here to bash Vice President Rich Boyer I'm just here to inform this council of why I made my decision. Here's a brief summary of what President Fain stated as a few reasons for that decision.

- Stellantis supplemental did not receive the 2024 profit sharing bonus while Ford and GM supplementals received it.
- Stellantis still owes the UAW 320 supplementals to full-time positions.
- Stellantis is sending the RAM overflow to Mexico to be built instead of building them in the United States.
- Stellantis has hired 143 employees off the street at the new battery plant in Kokomo IN instead of transferring seniority UAW employees into that facility first. On top of that the company told the Presidents office that seniority employees who transfer into the battery plant will come in with day one seniority. President Fain stated that his office never agreed to that.
- Although there were several other issues mentioned it seems like the last straw was the President being informed by the company (not Boyer) that the assembly plant in Belvidere won't be receiving a product until November of 2028. The problem with that is our contract with Stellantis expires on May 1st, of 2028, so the UAW can't enforce language from an expired agreement.

President Fain stated that his office was kept out the communication loop between VP Boyer and his Stellantis counterparts, and that's unacceptable. Although the UAW Constitution gives the President office the authority to assign duties as he sees fit, the council and myself included, asked Shawn to give us the courtesy of hearing things like this from his office first instead of hearing it from the media first. As for the news article that surfaced on last week concerning President Fain and others being investigated by the UAW monitor, President Fain assured the council that the monitor will not find any corruption tied to him, and the membership will benefit from his office overseeing the Stellantis dept.

In closing, Vice President Rich Boyer was not in attendance at the meeting to address the blame that was solely placed on him and his staff. VP Boyer may have been removed from the Stellantis dept. but he is still a UAW Vice President. Not only is the membership watching, the whole world is also watching. For the sake of all of us who depend on them, I HOPE & PRAY that they can sit down and iron out their differences and remain focused on our livelihood.
