Ufs Holidays 2015:

Leadership for change W.P. Wahl, René Pelser, 2020-12-31 This edited volume reveals how the journey of transformation at the University of the Free State UFS became interwoven with student leadership development and global learning The UFS initiated two intersecting co curricular programmes namely the First Year Leadership for Change F1L4C programme in 2010 and the triennial Global Leadership Summit GLS in 2012 Although these programmes changed over time their core focus remained to be the development of transformational student leaders through the creation of global learning spaces From its inception in 2010 to the last GLS in 2018 the UFS global learning project involved 780 students and 259 staff members from 109 institutions across four continents The goal of this edited volume is to create a deeper understanding of how the UFS F1L4C and GLS programmes enhanced student leadership development through global learning especially in the context of higher education transformation

Travel Writing in an Age of Global Quarantine Gary Fisher, David Robinson, 2021-09-07 Travel Writing in an Age of Global Quarantine is an anthology of travel accounts by a diverse range of writers and academics

Challenging conventional academic authority each contributor writes from memory during the Covid 19 lockdown about a place they have previously visited accompanied by an historical traveller who published an account of the same place As immobility is forced upon us at least for the immediate future we have the chance to reflect Travel Writing in an Age of Global Quarantine presents opportunities to approach a text as a scholar differently We break with the traditional academic rules by inserting ourselves into the narrative and foregrounding the personal subjective elements of literary scholarship Each contributor critiques an historical description of a place about which simultaneously they write a personal account

Employment Relations in Financial Services Gregor Gall, 2017-07-04 This book describes and analyses the impact of the 2007 2008 financial crisis upon the working conditions of employees in the financial services sector in Britain It tells the story of workers being made to pay the price for a crisis that was not of their own making but nevertheless caused a deleterious impact on their employment security remuneration and working conditions Evidence of fighting back against this has been sparse so that the response of employees is best characterised as fright grudgingly working harder and longer flight leaving the sector through redundancy and falling in line accepting the diktat of performance managements systems Through this book we learn the reasons behind this acquiescence with its detailed attention to topics such as the stunted development of labour unionism the prevalence of union management partnerships and the occurrence of employment insecurity and labour shedding Providing a valuable insight into the effects of the financial crash Employment Relations in Financial Services will be useful to academics students and also trade unionists
